# TIPTON Nope Rope Pull Through Bore Cleaning Rope Safety Instructions

## Introduction

Thank you for choosing the TIPTON Nope Rope Pull Through Bore Cleaning Rope for your firearm cleaning needs. This guide provides important safety instructions and general guidelines to ensure the safe and effective use of this product. Please read this manual thoroughly before using the cleaning rope.

## General Safety Guidelines

- Always ensure that your firearm is unloaded before cleaning.
- Use the cleaning rope only for its intended purpose: cleaning the bore of firearms.
- Keep the cleaning rope out of reach of children and unauthorized users.
- Inspect the cleaning rope for any damage or wear before each use. Do not use if damaged.
- Follow all local laws and regulations regarding firearm maintenance and cleaning.

## Specific Safety Precautions for Use

- Avoid using excessive force when pulling the cleaning rope through the bore to prevent damage to the firearm.
- Do not use the cleaning rope while the firearm is in a confined space or near flammable materials.
- Ensure that the area is well-ventilated during cleaning to avoid inhaling any cleaning solvents or debris.
- Wear appropriate safety gear, such as safety glasses and gloves, when cleaning your firearm.
- Do not leave the cleaning rope unattended while in use.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure that the firearm is completely unloaded and pointed in a safe direction.
- Gather all necessary cleaning supplies, including the TIPTON Nope Rope and any cleaning solvents.

### 2. Using the Nope Rope

- Attach the appropriate end of the Nope Rope to the bore of the firearm.
- Carefully pull the rope through the bore, ensuring that it is aligned correctly.
- Use a steady, even motion to avoid damaging the firearm's interior.
- Repeat the process as necessary to achieve the desired level of cleanliness.

### 3. Post-Cleaning

- After cleaning, inspect the bore for any remaining debris or residue.
- Store the Nope Rope in its compact storage case when not in use to protect it from damage and contamination.

## Disposal Instructions

- Dispose of any used cleaning solvents and materials in accordance with local regulations.
- Do not dispose of the cleaning rope in regular household waste if it is damaged. Follow local guidelines for the disposal of such items.

## **Contact Information for Further Support**

For any safety inquiries or additional support regarding the TIPTON Nope Rope Pull Through Bore Cleaning Rope, please refer to the contact information provided on the packaging or the manufacturer's website.

Thank you for prioritizing safety while using the TIPTON Nope Rope. Proper care and attention will ensure effective cleaning and maintenance of your firearm.
