# TIPTON Nope Rope Pull Through Bore Cleaning Rope Safety Instructions

## Introduction

Thank you for choosing the TIPTON Nope Rope Pull Through Bore Cleaning Rope. This product is designed to provide efficient and effective cleaning for your firearm's barrel. To ensure safe use and optimal performance, please read and follow the safety instructions outlined in this guide.

## General Safety Guidelines

- Always handle firearms safely and responsibly.
- Ensure the firearm is unloaded before using the cleaning rope.
- Store the cleaning rope out of reach of children and vulnerable individuals.
- Inspect the cleaning rope for any damage before each use.
- Do not use the cleaning rope for any purpose other than its intended use.
- Follow all local laws and regulations regarding firearm cleaning and maintenance.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Risk of injury if the firearm is not properly unloaded.
  - Potential for damage to the firearm if the cleaning rope is used incorrectly.
- **Avoiding Hazards:**
  - Always verify that the firearm is unloaded by checking the chamber and magazine.
  - Use the cleaning rope in a wellventilated area to avoid inhaling any cleaning solvents.
  - Do not pull the cleaning rope too forcefully to prevent damage to the bore or the rope itself.
  - Keep fingers away from the muzzle when using the cleaning rope.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the TIPTON Nope Rope and any cleaning solvents.

### 2. Using the Cleaning Rope:

- Attach the appropriate end of the Nope Rope to the cleaning rod or pullthrough.
- Insert the other end of the Nope Rope into the chamber of the firearm.
- Gently pull the rope through the bore, allowing the bronze bristles to clean the interior of the barrel.
- Repeat the process as necessary until the barrel is clean.

### 3. PostCleaning:

- After cleaning, inspect the rope for any signs of wear or damage.
- Store the cleaning rope in its reusable compact storage case to protect it from dirt and damage.

## Disposal Instructions

- Dispose of any cleaning solvents and materials used in accordance with local regulations.
- If the cleaning rope is damaged beyond use, dispose of it in a safe manner, ensuring it does not pose a

risk to the environment or others.

## **Contact Information for Further Support**

For any inquiries regarding safety or product issues, please reach out to your local TIPTON representative or authorized dealer. It is important to have access to support for any concerns you may have regarding the use of this product.

Thank you for prioritizing safety while using the TIPTON Nope Rope Pull Through Bore Cleaning Rope. Your responsible handling and maintenance of firearms contribute to a safer environment for everyone.
