# TIPTON Nope Rope Pull Through Bore Cleaning Rope Safety Instructions

## Introduction

Thank you for choosing the TIPTON Nope Rope Pull Through Bore Cleaning Rope. This product is designed to help you clean your firearm barrel quickly and effectively. Please read this safety instruction guide carefully to ensure safe and proper use of the product.

## General Safety Guidelines

- Always handle firearms with care and follow all safety protocols.
- Ensure you are in a safe environment when using the cleaning rope.
- Keep the cleaning rope out of reach of children and vulnerable individuals.
- Use the product only for its intended purpose: cleaning firearm barrels.
- Regularly inspect the cleaning rope for wear or damage before use.
- Do not use the cleaning rope if it shows signs of damage or excessive wear.
- Store the cleaning rope in a dry place, away from moisture and direct sunlight.

## Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before using the cleaning rope.
- Follow the manufacturer's instructions for cleaning your specific firearm model.
- Do not force the cleaning rope through the barrel; if resistance is felt, stop and check for obstructions.
- Use the cleaning rope in a wellventilated area to avoid inhaling any cleaning debris.
- Avoid using the cleaning rope with excessive force to prevent damaging the firearm or the cleaning rope.
- If cleaning chemicals are used, ensure they are safe for your firearm and follow the manufacturer's safety instructions.

## Instructions for Installation and Usage

### 1. Preparation

- Ensure your firearm is completely unloaded.
- Gather all necessary cleaning supplies, including the TIPTON Nope Rope.

### 2. Attaching the Rope

- Take the cleaning rope out of its storage case.
- Attach the end of the Nope Rope to the cleaning rod or use it as directed.

### 3. Cleaning the Barrel

- Insert the Nope Rope into the barrel from the chamber end (for boltaction firearms).
- Gently pull the rope through the barrel. Avoid pulling too hard to prevent damage.
- Repeat the process as necessary to achieve the desired level of cleanliness.

### 4. PostCleaning

- After cleaning, inspect the barrel for any remaining debris.
- Store the cleaning rope in its compact case for future use.

## **Disposal Instructions**

- Dispose of any worn or damaged cleaning ropes in accordance with local regulations.
- Do not dispose of cleaning ropes in regular household waste if they contain hazardous materials.
- Check with local authorities for proper disposal methods for cleaning supplies and materials.

## **Contact Information for Further Support**

For any questions or concerns regarding the TIPTON Nope Rope Pull Through Bore Cleaning Rope, please consult the manufacturer's website or contact their customer support team for assistance.

Thank you for using the TIPTON Nope Rope. Your safety and satisfaction are our top priorities. Enjoy the reliable performance of your cleaning rope!
