

# CKYE-POD Gen2 Bipods - MDT CKYE-POD Gen2 Bipod, RRS BTC Mount - Standard Legs

[Shooting Accessories](#) > [Bipods, Monopods & Accessories](#) > [Bipods](#)

If you're a hunter or a match shooter looking for a game-changing piece of gear, look no further than the MDT Bipod.

Quality craftsmanship and fast, simple, one-handed adjustments make this bipod the ultimate platform for stability and versatility.

The MDT CKYE-POD Gen2 was developed for the competitive shooter with a focus on strength, single handed operation and versatile configurations.

This bipod is a true work of art, featuring 3 locking positions from front to back - stowed, angled and down.

MDT CKYE-POD Gen2 is in a league of its own with quick single-handed adjustable height, allowing you to achieve from 4.5" to 15.5" (standard leg length model), paired with 170 degrees of cant, 360 degrees of pan capability (sling swivel stud version does not pan), and an integrated barricade stop.

Mix and match the independent leg heights and angles to create the perfect shooting position, every time.

The MDT CKYE-POD Gen2 comes standard with it's own spiked foot/claw for ultimate traction on any surface.

However, if you prefer rubber feet, the MDT CKYE-POD Gen2 Standard and PRS Short legs will accept any Atlas style feet.

# MDT CKYEPOD Gen2 Bipod Safety Instructions

## Introduction

Thank you for choosing the MDT CKYEPOD Gen2 Bipod. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your bipod. Please read and understand all instructions before using the product.

## General Safety Guidelines

- Ensure that the bipod is used only for its intended purpose as a shooting support device.
- Inspect the bipod before each use for any signs of damage or wear. Do not use if damaged.
- Always use the bipod on stable and level surfaces to prevent tipping or instability.
- Keep the bipod out of reach of children and ensure it is used only by responsible adults.
- Avoid using the bipod in adverse weather conditions that may affect stability or safety.
- Report any unsafe products or incidents to the relevant authorities.

## Specific Safety Precautions for Use

- Always ensure that the bipod is securely attached to your firearm before use.
- Use caution when adjusting the height and angle of the bipod. Make adjustments slowly and carefully to avoid sudden movements.
- Do not exceed the recommended weight limit of the bipod. Refer to the specifications for weight capacity.
- When using the bipod on uneven terrain, be aware of the potential for instability and adjust your shooting position accordingly.
- Avoid placing your hands or body near the bipod's moving parts during adjustments to prevent injury.
- If using spiked feet, ensure they are securely fastened and appropriate for the surface on which you are shooting.

## Instructions for Installation and Usage

### 1. Installation:

- Attach the bipod to your firearm using the provided mounting system (Picatinny or ARCA/RRS dovetail).
- Ensure that the mount is tightened securely to prevent any movement during use.

### 2. Height Adjustment:

- To adjust the height, locate the adjustment lever or button on the bipod.
- Pull or press the lever/button to release the locking mechanism.
- Adjust the legs to the desired height (from 4.5" to 15.5") and release the lever/button to lock in place.

### 3. Angle and Cant Adjustment:

- To adjust the angle, loosen the cant adjustment knob.
- Tilt the bipod to the desired angle and tighten the knob to secure it.
- For pan adjustments, ensure the pan feature is unlocked and adjust as needed, then lock in place.

### 4. Using Spiked Feet:

- If using spiked feet, ensure they are securely attached before use.
- For rubber feet, ensure compatibility with the bipod legs and attach securely.

## 5. **Storing the Bipod:**

- When not in use, store the bipod in a cool, dry place.
- Keep it in its protective case if provided to prevent damage.

## **Disposal Instructions**

- Dispose of the bipod and any packaging materials in accordance with local regulations.
- Do not dispose of the bipod in regular household waste if it contains materials that are recyclable or hazardous.
- Check with local waste management authorities for proper disposal methods.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT CKYEP0D Gen2 Bipod, please refer to the manufacturer's website or contact their customer support for assistance.
