[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

The MDT M-LOK Baker Wings were designed and tested by Keith Baker, an MDT Prostaff shooter and multi-national level PRS match winner. These wings are designed to provide the shooter with more stability when shooting off of an unstable position and utilizing a front bag, as well as providing more control surfaces for the shooter's support hand. In short, these wings will help you, a.) control the tracking of the recoil on your rifle, b.) maintain better control on the front of your rifle and c.) provide a wide and flat contact surface on a bag!

## Specs

- Integral QD flush cup to attach slings and other accessories
- 4 mounting holes spaced 160 mm (6.33") apart, requiring the use of 4 full M-LOK slots to ensure proper mounting
- Rear hole is slotted to allow the wings to be run further back on R700, Tikka and Savage inlet ACC Chassis
- Comes as a pair for left and right sides

## Compatibility

- This product has been designed to fit any chassis or stock that is M-LOK compatible. These weights will fit on the MDT ACC, ESS, TAC21 (M-Lok forend) and LSS-XL Gen2 chassis.
- These have also been tested on other, commonly used competition chassis as well as precision AR-10/15 M-Lok forends.
- There is an additional cut out on the rear of each wing to allow clearance for an AR-15 front takedown pin.

## Dimensions

- 229 mm (9") long x 24.6 mm (0.97") tall x 24.6 mm (0.97") wide (each)
- Add's roughly 2" width to your forend
- Weight: 0.84 lbs / 382.7 g
- Material: 6061-T6

## Attributes

- Name: [MDT Baker Wings](#)

# MDT Baker Wings Safety Instruction Guide

## Introduction

Thank you for choosing the MDT Baker Wings. This product is designed to enhance your shooting stability and control. To ensure your safety and the proper use of the product, please read this safety instruction guide carefully.

## General Safety Guidelines

- Always ensure that the MDT Baker Wings are installed correctly according to the instructions provided.
- Inspect the product regularly for any signs of wear or damage. Do not use if damaged.
- Use the product only for its intended purpose as outlined in this guide.
- Keep the product out of reach of children and vulnerable individuals.
- If you experience any difficulties or have questions regarding the product, consult a professional or contact customer support.

## Specific Safety Precautions for Use

- Ensure that the MDT Baker Wings are compatible with your chassis or stock before installation.
- When using the product, maintain a firm grip and ensure your shooting position is stable.
- Be aware of your surroundings and ensure that you are in a safe environment when using the product.
- Do not exceed the weight limits specified for the product during use.
- Always follow the manufacturer's instructions when attaching or detaching the wings to prevent accidents.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure that you have the necessary tools to install the MDT Baker Wings.
- Locate the four MLOK slots on your chassis or stock where the wings will be mounted.
- Align the mounting holes of the wings with the MLOK slots.
- Securely fasten the wings using the provided hardware, ensuring that they are tightly attached and stable.
- Confirm that the rear hole is slotted correctly for compatibility with specific models such as R700, Tikka, and Savage inlet ACC Chassis.

### 2. Usage:

- When in use, place the front bag securely on a stable surface.
- Position the MDT Baker Wings to provide maximum support for your shooting hand.
- Adjust your grip to ensure that you have full control of the rifle while utilizing the wings.
- After use, detach the wings if necessary and store them in a safe place.

## Disposal Instructions

- Dispose of the MDT Baker Wings in accordance with local regulations.
- If the product is damaged beyond repair, recycle the aluminum components where facilities are available.
- Do not dispose of the product in household waste.

## **Contact Information for Further Support**

For any inquiries regarding the MDT Baker Wings or safety concerns, please reach out to the manufacturer's customer support team. Ensure that you have your product details available for assistance.

By following these safety instructions, you can ensure a safe and effective experience with your MDT Baker Wings. Thank you for prioritizing safety and enjoying your shooting activities responsibly.
