To use this magazine the separately available specific bottom metal for Remington 700 magazines is needed!
You can find the bottom metal in our shop as well.

10 Round Magazine

NO IMAGE
AVAILABLE

MambaMag magazines are designed to fit factory stocks, allowing users to increase their magazine capacity from the typical 3-round factory mags to 10-rounds.

For the Howa 1500 and Remington 700 variants of these magazines, MambaMag offers a replacement floorplate needed to convert a factory stock from a floorplate design to a detachable box magazine design.

Details:

MambaMags use a machined 6061-T6 aluminum top to provide the most reliable locking and feeding.

The lower part of the magazine is made of polymer, which makes it warmer to the touch when the magazine is removed and handled.

The magazine has a removable bottom cover plate that allows the user to remove the inside of the magazine for cleaning and maintenance.

The Howa 1500 and Remington 700 bottom plates use a front latch and rear latch to give the magazines the greatest possible stability while still allowing the magazines to fall freely.

Mounting and compatible accessories:

The MambaMag magazine is designed to fit directly into factory stocks without any adjustments.

However, the Howa 1500 and Remington 700 magazines require a MambaMag or Lucky-13 base plate before the magazines can be used.

The reason for this is that Howa and Remington rifles are equipped with a floor plate design that does not allow detachable magazines.

Technical details:

- 10-round capacity
- Upper part made of 6061-T6 aluminum
- Lower part made of glass fiber reinforced nylon and cover plate

Compatibility:

- Rem 700 10 round magazine with 223 Remington, 308 Winchester, 243 Winchester, 6.5 Creedmoor - with Mamba bottom metal.

.223 Max Cartridge Length - 2.23"

.308 Max cartridge length - 2.80"

MAMBAMAG STRAIGHT FIT SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MAMBAMAG Straight Fit magazine for your Remington 700 rifle. This guide provides essential safety instructions to ensure the safe and effective use of your magazine. Please read this document carefully before installation and usage.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always handle firearms with care and follow standard safety protocols.
- Keep the magazine and ammunition out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear before each use.
- Do not attempt to modify or alter the magazine in any way.
- If you experience any malfunction, stop using the magazine immediately and consult a professional.

Specific Safety Precautions for Use

- When loading the magazine, ensure that you are in a safe and controlled environment.
- Always point the firearm in a safe direction when inserting or removing the magazine.
- Do not exceed the magazine's capacity of 10 rounds to ensure safe operation.
- Ensure that the magazine is securely locked into place before firing.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.

Instructions for Installation and Usage

1. Installation:

- Ensure you have the correct bottom metal specifically designed for Remington 700 magazines.
- Remove the existing floorplate from your factory stock if applicable.
- Install the MambaMag magazine by aligning it with the bottom metal and pressing it into place until it locks securely.
- Confirm that the magazine is seated correctly and does not wobble.

2. Loading the Magazine:

- Hold the magazine with the bottom cover plate facing up.
- Insert rounds into the magazine, ensuring they are facing the correct direction.
- Do not exceed the 10round capacity.
- Replace the bottom cover plate securely after loading.

3. Using the Magazine:

- Insert the magazine into the firearm as described in the installation section.
- Ensure that the magazine is locked in place before operating the firearm.
- Follow all standard safety practices while shooting.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged, do not attempt to repair it. Dispose of it properly to prevent accidental use.

- Recycle materials where possible, following your local recycling guidelines.

Contact Information for Further Support

For safety inquiries or further assistance regarding your MAMBAMAG Straight Fit magazine, please reach out to your local retailer or manufacturer. Ensure you have your product details on hand for quicker support.

Thank you for following these safety guidelines. Your safety and the safety of others is our top priority. Enjoy your shooting experience responsibly!
