**You can find the bottom metal in our shop as well.**

## 10 Round Magazine

NO IMAGE  
AVAILABLE

MambaMag magazines are designed to fit factory stocks, allowing users to increase their magazine capacity from the typical 3-round factory mags to 10-rounds.

For the Howa 1500 and Remington 700 variants of these magazines, MambaMag offers a replacement floorplate needed to convert a factory stock from a floorplate design to a detachable box magazine design.

### Details:

MambaMags use a machined 6061-T6 aluminum top to provide the most reliable locking and feeding.

The lower part of the magazine is made of polymer, which makes it warmer to the touch when the magazine is removed and handled.

The magazine has a removable bottom cover plate that allows the user to remove the inside of the magazine for cleaning and maintenance.

The Howa 1500 and Remington 700 bottom plates use a front latch and rear latch to give the magazines the greatest possible stability while still allowing the magazines to fall freely.

### Mounting and compatible accessories:

The MambaMag magazine is designed to fit directly into factory stocks without any adjustments.

However, the Howa 1500 and Remington 700 magazines require a MambaMag or Lucky-13 base plate before the magazines can be used.

The reason for this is that Howa and Remington rifles are equipped with a floor plate design that does not allow detachable magazines.

### Technical details:

- 10-round capacity
- Upper part made of 6061-T6 aluminum
- Lower part made of glass fiber reinforced nylon and cover plate

# MAMBAMAG STRAIGHT FIT Safety Instructions

## Introduction

Thank you for choosing the MAMBAMAG STRAIGHT FIT magazine for your Howa 1500 rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your magazine. Please read this document carefully before use.

## General Safety Guidelines

- Ensure that the magazine is compatible with your rifle model. This magazine is specifically designed for Howa 1500 and Remington 700 rifles.
- Always handle firearms and magazines with care. Treat every firearm as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect your magazine for any signs of damage or wear before use.
- Use only the recommended ammunition types as specified in the product description.
- Follow all local laws and regulations regarding firearm and magazine ownership and usage.

## Specific Safety Precautions for Use

- Always ensure that the magazine is properly seated in the rifle before attempting to fire.
- Do not attempt to modify the magazine. Any alterations may compromise safety and functionality.
- When loading the magazine, do so in a safe and controlled environment, away from others.
- Avoid overloading the magazine beyond its 10round capacity.
- Do not use the magazine if it is damaged or malfunctioning. Contact a qualified professional for inspection and repair.
- Be aware of the maximum cartridge lengths for your ammunition:
  - .223 Max Cartridge Length: 2.23 inches
  - .308 Max Cartridge Length: 2.80 inches

## Instructions for Installation and Usage

- To use the MAMBAMAG STRAIGHT FIT magazine, you will need the separately available bottom metal for Howa 1500 magazines.
- Ensure that the magazine is clean and free of debris before installation.
- Follow these steps for installation:
  1. Remove the existing floorplate from your factory stock.
  2. Install the MambaMag bottom metal according to the manufacturer's instructions.
  3. Insert the MAMBAMAG STRAIGHT FIT magazine into the bottom metal until it clicks into place.
  4. Test the magazine by loading it with the appropriate ammunition and ensuring it feeds correctly.
- For cleaning and maintenance:
  - Remove the bottom cover plate to access the interior of the magazine.
  - Clean the magazine with a soft cloth and appropriate cleaning agents.
  - Reassemble the magazine after cleaning, ensuring all parts are securely in place.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged beyond repair, ensure that it is not usable before disposal.
- Recycle components where possible, following local recycling guidelines.

## **Contact Information for Further Support**

For any questions or concerns regarding the MAMBAMAG STRAIGHT FIT magazine, please refer to the manufacturer's website or contact customer support through the appropriate channels for assistance.

Thank you for prioritizing safety and responsible usage. Enjoy your shooting experience with the MAMBAMAG STRAIGHT FIT magazine.
