10 Round Magazine

MambaMag magazines are designed to fit factory stocks, allowing users to increase their magazine capacity from the typical 3-round factory mags to 10-rounds.

For the Howa 1500 and Remington 700 variants of these magazines, MambaMag offers a replacement floorplate needed to convert a factory stock from a floorplate design to a detachable box magazine design.

AVAILABLE

Details:

MambaMags use a machined 6061-T6 aluminum top to provide the most reliable locking and feeding.

The lower part of the magazine is made of polymer, which makes it warmer to the touch when the magazine is removed and handled.

The magazine has a removable bottom cover plate that allows the user to remove the inside of the magazine for cleaning and maintenance.

The Howa 1500 and Remington 700 bottom plates use a front latch and rear latch to give the magazines the greatest possible stability while still allowing the magazines to fall freely.

Mounting and compatible accessories:

The MambaMag magazine is designed to fit directly into factory stocks without any adjustments.

However, the Howa 1500 and Remington 700 magazines require a MambaMag or Lucky-13 base plate before the magazines can be used.

The reason for this is that Howa and Remington rifles are equipped with a floor plate design that does not allow detachable magazines.

Technical details:

- 10-round capacity
- Upper part made of 6061-T6 aluminum
- Lower part made of glass fiber reinforced nylon and cover plate

Compatibility:

- Lithgow LA 102 10 round magazine with 223 Remington, 308 Winchester (incl .243win, 6.5 Creedmoor) - with Mamba bottom metal.

.223 Max Cartridge Length - 2.23"

.308 Max cartridge length - 2.80"

MAMBAMAG STRAIGHT FIT MAMBAMAG Safety Instructions

Introduction

Thank you for choosing the MAMBAMAG STRAIGHT FIT MAMBAMAG magazine. This guide provides important safety instructions to ensure the proper and safe use of your product. Please read and follow these instructions carefully to minimize risks and ensure a safe experience.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always handle firearms and magazines with care and respect.
- Store magazines in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear. Do not use if damaged.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Do not modify the magazine or its components in any way.

Specific Safety Precautions for Use

- Always keep the firearm pointed in a safe direction when inserting or removing the magazine.
- Ensure that the firearm is unloaded before inserting or removing the magazine.
- Do not exceed the magazine's specified capacity of 10 rounds.
- Use only recommended ammunition types as specified in the product details.
- Be aware of the maximum cartridge lengths:
 - .223 Remington: 2.23 inches
 - .308 Winchester: 2.80 inches
- When cleaning the magazine, ensure it is completely disassembled and free of ammunition.

Instructions for Installation and Usage

1. Installation:

- Ensure that your firearm is unloaded and pointed in a safe direction.
- Insert the MAMBAMAG magazine into the magazine well of the firearm until you hear a click, indicating it is locked in place.
- Check that the magazine is securely attached before loading.

2. Loading:

- While holding the magazine securely, load the ammunition into the magazine, ensuring that each round is seated properly.
- Do not exceed the 10round capacity.

3. Usage:

- After loading, ensure that the firearm is ready for use according to its specific operating instructions.
- Always remain aware of your surroundings and ensure a safe shooting environment.

4. Cleaning and Maintenance:

- To clean the magazine, remove the bottom cover plate.

- Clean the interior and exterior of the magazine using a soft cloth and appropriate cleaning solutions.
- Reassemble the magazine after cleaning, ensuring all components are securely in place.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations regarding firearm accessories.
- If the magazine is damaged beyond repair, contact local authorities or a certified disposal service for safe disposal methods.

Contact Information for Further Support
