10 Round Magazine

MambaMag magazines are designed to fit factory stocks, allowing users to increase their magazine capacity from the typical 3-round factory mags to 10-rounds.

For the Howa 1500 and Remington 700 variants of these magazines, MambaMag offers a replacement floorplate needed to convert a factory stock from a floorplate design to a detachable box magazine design.

NO IMAGE
AVAILABLE

Details:

MambaMags use a machined 6061-T6 aluminum top to provide the most reliable locking and feeding.

The lower part of the magazine is made of polymer, which makes it warmer to the touch when the magazine is removed and handled.

The magazine has a removable bottom cover plate that allows the user to remove the inside of the magazine for cleaning and maintenance.

The Howa 1500 and Remington 700 bottom plates use a front latch and rear latch to give the magazines the greatest possible stability while still allowing the magazines to fall freely.

Mounting and compatible accessories:

The MambaMag magazine is designed to fit directly into factory stocks without any adjustments.

However, the Howa 1500 and Remington 700 magazines require a MambaMag or Lucky-13 base plate before the magazines can be used.

The reason for this is that Howa and Remington rifles are equipped with a floor plate design that does not allow detachable magazines.

Technical details:

- 10-round capacity
- Upper part made of 6061-T6 aluminum
- Lower part made of glass fiber reinforced nylon and cover plate

Compatibility:

- Lithgow LA 102 10 round magazine with 223 Remington, 308 Winchester (incl .243win, 6.5 Creedmoor) - with Mamba bottom metal.

.223 Max Cartridge Length - 2.23"

.308 Max cartridge length - 2.80"

MAMBAMAG STRAIGHT FIT Safety Instruction Guide

Introduction

Thank you for choosing the MAMBAMAG STRAIGHT FIT magazine. This guide provides essential safety instructions and guidelines to ensure the safe use and maintenance of your magazine. Please read this document carefully before use.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Keep the magazine out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear.
- Do not modify the magazine or use it with incompatible firearms.
- Store the magazine in a cool, dry place away from direct sunlight.
- Always follow the firearm manufacturer's guidelines regarding magazine use.

Specific Safety Precautions for Use

- Always treat every firearm as if it is loaded.
- Before inserting the magazine into the firearm, ensure that the firearm is pointed in a safe direction.
- Do not load the magazine beyond its specified capacity.
- Be aware of your surroundings when using the magazine and firearm.
- If you experience any malfunctions, cease use immediately and consult a qualified gunsmith.
- Use only compatible ammunition as specified in the product description.

Instructions for Installation and Usage

Installation

1. Ensure the firearm is unloaded and pointed in a safe direction.
2. Remove any existing magazine from the firearm.
3. Align the MAMBAMAG magazine with the magazine well of the firearm.
4. Insert the magazine firmly until it clicks into place.
5. Confirm that the magazine is securely attached by pulling gently on it.

Usage

- Load the magazine with the appropriate ammunition, ensuring it does not exceed the 10round capacity.
- When ready to fire, ensure the firearm is in a safe condition and follow standard operating procedures for your specific firearm model.
- After use, remove the magazine from the firearm and unload any remaining ammunition.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer usable, contact your local waste disposal authority for guidance on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MAMBAMAG STRAIGHT FIT, please refer to the contact

information provided on the product packaging or visit the manufacturer's website for assistance.

This safety instruction guide is designed to comply with the EU General Product Safety Regulation (GPSR). Please adhere to all safety guidelines to ensure a safe and enjoyable experience with your MAMBAMAG STRAIGHT FIT magazine.
