## **10 Round Magazine**

MambaMag magazines are designed to fit factory stocks, allowing users to increase their magazine capacity from the typical 3-round factory mags to 10-rounds.

For the Howa 1500 and Remington 700 variants of these magazines, MambaMag offers a replacement floorplate needed to convert a factory stock from a floorplate design to a detachable box magazine design.

NO IMAGE  
AVAILABLE

### **Details:**

MambaMags use a machined 6061-T6 aluminum top to provide the most reliable locking and feeding.

The lower part of the magazine is made of polymer, which makes it warmer to the touch when the magazine is removed and handled.

The magazine has a removable bottom cover plate that allows the user to remove the inside of the magazine for cleaning and maintenance.

The Howa 1500 and Remington 700 bottom plates use a front latch and rear latch to give the magazines the greatest possible stability while still allowing the magazines to fall freely.

### **Mounting and compatible accessories:**

The MambaMag magazine is designed to fit directly into factory stocks without any adjustments.

However, the Howa 1500 and Remington 700 magazines require a MambaMag or Lucky-13 base plate before the magazines can be used.

The reason for this is that Howa and Remington rifles are equipped with a floor plate design that does not allow detachable magazines.

### **Technical details:**

- 10-round capacity
- Upper part made of 6061-T6 aluminum
- Lower part made of glass fiber reinforced nylon and cover plate

### **Compatibility:**

- Remington 783 10 round magazine with 308 Winchester (incl .243Win, 6.5 Creedmoor) - with Mamba bottom metal.

.223 Max Cartridge Length - 2.23"

.308 Max cartridge length - 2.80"

# MAMBAMAG STRAIGHT FIT Safety Instruction Guide

## Introduction

Thank you for choosing the MAMBAMAG STRAIGHT FIT magazine for your Remington 783 rifle. This guide provides essential safety instructions and guidelines to ensure the safe use and handling of your magazine. Please read this manual carefully before using the product.

## General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always handle firearms and magazines with care, treating them as if they are loaded.
- Store the magazine in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the magazine for signs of wear or damage. Do not use a damaged magazine.
- Follow all local laws and regulations regarding the use and ownership of firearms and magazines.

## Specific Safety Precautions for Use

- Always check that the firearm is unloaded before inserting or removing the magazine.
- Do not attempt to modify the magazine in any way. Unauthorized modifications can cause malfunctions.
- When loading the magazine, ensure that the ammunition is compatible with the magazine and firearm.
- Avoid using excessive force when inserting or removing the magazine from the firearm.
- If you experience any malfunctions or feeding issues, cease use immediately and consult a qualified gunsmith.

## Instructions for Installation and Usage

### • Installation:

1. Ensure the firearm is pointed in a safe direction and is unloaded.
2. Align the magazine with the magazine well of the firearm.
3. Gently push the magazine into the magazine well until it clicks into place.

### • Usage:

1. Load the magazine by inserting ammunition into the magazine slots, ensuring the correct orientation.
2. Once loaded, insert the magazine into the firearm as described above.
3. To remove the magazine, press the magazine release button and gently pull the magazine out of the firearm.

## Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer usable, do not attempt to repair it. Instead, contact a local disposal service.

## Contact Information for Further Support

For any questions or concerns regarding the MAMBAMAG STRAIGHT FIT magazine, please refer to the manufacturer's contact details found on the product packaging or official website.

## **Regulatory Compliance**

This product complies with the EU General Product Safety Regulation (GPSR). \* Potential hazards associated with the use of this product include improper handling and use with incompatible ammunition. \* To avoid these hazards, always follow the safety guidelines outlined in this document.

Thank you for your attention to these important safety instructions. Your safety and the safety of those around you is our top priority.
