10 Round Magazine

MambaMag magazines are designed to fit factory stocks, allowing users to increase their magazine capacity from the typical 3-round factory mags to 10-rounds.

For the Howa 1500 and Remington 700 variants of these magazines, MambaMag offers a replacement floorplate needed to convert a factory stock from a floorplate design to a detachable box magazine design.

AVAILABLE

Details:

MambaMags use a machined 6061-T6 aluminum top to provide the most reliable locking and feeding.

The lower part of the magazine is made of polymer, which makes it warmer to the touch when the magazine is removed and handled.

The magazine has a removable bottom cover plate that allows the user to remove the inside of the magazine for cleaning and maintenance.

The Howa 1500 and Remington 700 bottom plates use a front latch and rear latch to give the magazines the greatest possible stability while still allowing the magazines to fall freely.

Mounting and compatible accessories:

The MambaMag magazine is designed to fit directly into factory stocks without any adjustments.

However, the Howa 1500 and Remington 700 magazines require a MambaMag or Lucky-13 base plate before the magazines can be used.

The reason for this is that Howa and Remington rifles are equipped with a floor plate design that does not allow detachable magazines.

Technical details:

- 10-round capacity
- Upper part made of 6061-T6 aluminum
- Lower part made of glass fiber reinforced nylon and cover plate

Compatibility:

- Remington 783 10 round magazine with 308 Winchester (incl .243Win, 6.5 Creedmoor) - with Mamba bottom metal.

.223 Max Cartridge Length - 2.23"

.308 Max cartridge length - 2.80"

MAMBAMAG STRAIGHT FIT MAGAZINE SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MAMBAMAG Straight Fit Magazine for your Remington 783. This guide provides essential safety instructions and usage guidelines to ensure the safe operation of your magazine. Please read this manual thoroughly before use.

General Safety Guidelines

- Always treat the magazine as if it is loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Store the magazine in a secure location when not in use.
- Inspect the magazine regularly for signs of wear or damage.
- Do not use the magazine if it is damaged or malfunctioning.
- Ensure that the magazine is compatible with your firearm model before use.
- Follow all local laws and regulations regarding the use and storage of firearms and ammunition.

Specific Safety Precautions for Use

- Ensure the firearm is pointed in a safe direction at all times when handling the magazine.
- Do not attempt to modify or alter the magazine in any way.
- Always use the magazine with compatible ammunition only.
- Avoid exposing the magazine to extreme temperatures or moisture.
- When loading the magazine, do so in a safe environment away from others.
- Do not exceed the manufacturer's recommended ammunition capacity of 10 rounds.
- Be aware of the maximum cartridge lengths:
 - .223 Max Cartridge Length 2.23 inches
 - .308 Max Cartridge Length 2.80 inches

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the factory floorplate if applicable.
- Insert the MAMBAMAG magazine into the magazine well until it clicks into place.
- For Howa 1500 and Remington 700 models, ensure the MambaMag or Lucky13 base plate is installed.

2. Loading the Magazine:

- Hold the magazine securely in one hand.
- Use the other hand to load ammunition into the magazine.
- Ensure each round is seated properly.
- Do not exceed the 10round capacity.

3. Removing the Magazine:

- Press the magazine release button on your firearm.
- Gently pull the magazine out of the magazine well.
- Store the magazine in a safe and secure location.

4. Maintenance:

- Regularly clean the magazine to ensure optimal performance.
- Remove the bottom cover plate to access the inside for cleaning.
- Use a soft cloth and appropriate cleaning solution to remove dirt and debris.
- Allow the magazine to dry completely before reassembling.

Disposal Instructions

- Dispose of the magazine in accordance with local laws and regulations.
- If the magazine is damaged beyond repair, ensure it is rendered unusable before disposal.
- Consider recycling options for metal and plastic components where applicable.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MAMBAMAG Straight Fit Magazine, please refer to the EU contact point provided by the manufacturer or your retailer. Additionally, keep informed about product recalls and safety updates through the EU's Safety Gate platform.

Thank you for your attention to these safety guidelines. Proper use and maintenance of your MAMBAMAG magazine will enhance your shooting experience while ensuring safety for yourself and others.
