10 Round Magazine

MambaMag magazines are designed to fit factory stocks, allowing users to increase their magazine capacity from the typical 3-round factory mags to 10-rounds.

For the Howa 1500 and Remington 700 variants of these magazines, MambaMag offers a replacement floorplate needed to convert a factory stock from a floorplate design to a detachable box magazine design.

Details:

MambaMags use a machined 6061-T6 aluminum top to provide the most reliable locking and feeding.

The lower part of the magazine is made of polymer, which makes it warmer to the touch when the magazine is removed and handled.

The magazine has a removable bottom cover plate that allows the user to remove the inside of the magazine for cleaning and maintenance.

The Howa 1500 and Remington 700 bottom plates use a front latch and rear latch to give the magazines the greatest possible stability while still allowing the magazines to fall freely.

Mounting and compatible accessories:

The MambaMag magazine is designed to fit directly into factory stocks without any adjustments.

However, the Howa 1500 and Remington 700 magazines require a MambaMag or Lucky-13 base plate before the magazines can be used.

The reason for this is that Howa and Remington rifles are equipped with a floor plate design that does not allow detachable magazines.

Introduction

Thank you for choosing the MAMBAMAG STRAIGHT FIT magazine for your Tikka T3 rifle. This guide provides important safety information and instructions to ensure the safe and effective use of your magazine. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model and caliber.
- Always treat every firearm as if it is loaded.
- Keep the magazine and firearm out of reach of children and unauthorized users.
- Regularly inspect the magazine for any signs of damage or wear before use.
- Use only factoryapproved ammunition to avoid malfunctions or accidents.
- Follow all local laws and regulations regarding firearm use and storage.

Specific Safety Precautions for Use

- **Loading the Magazine:**

- Load the magazine in a safe environment, away from people and animals.
- Do not exceed the magazine's 10round capacity.
- Ensure that cartridges are inserted correctly to avoid jams.

- **Handling the Magazine:**

- Always handle the magazine with care. Avoid dropping or subjecting it to impact.
- Do not attempt to disassemble the magazine unless following the cleaning instructions.

- **Using the Magazine:**

- Ensure that the firearm is pointed in a safe direction when inserting or removing the magazine.
- Never engage the trigger unless you are ready to fire and are aware of your target.

Instructions for Installation and Usage

- **Installation:**

- Ensure your firearm is unloaded and the chamber is clear before installing the magazine.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into place until it clicks.

- **Usage:**

- To remove the magazine, press the magazine release button while pulling the magazine out of the magazine well.
- Always keep the firearm pointed in a safe direction when changing magazines.

- **Cleaning and Maintenance:**

- Remove the magazine from the firearm before cleaning.

- To clean, remove the bottom cover plate and take out the internal components.
- Clean the magazine with a soft cloth and a mild solvent if necessary. Avoid harsh chemicals.
- Reassemble the magazine after cleaning and ensure all parts are secure.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged or no longer usable, do not attempt to repair it. Dispose of it safely to prevent accidental use.
