AVAILABLE

Details:

MambaMag bottom metals are machined out of 6061-T6 aluminum, with a steel mag latch.

The bottom metal is designed to have a mag latch at the rear, but also have a front catch to give the most stability for the mag and the most reliable feeding.

Mounting and compatible accessories:

The MambaMag bottom metals come with all the hardware required to mount them onto your stock.

They are also designed to require no modifications to the stock and allow you to very easily replace your factory bottom metal with a MambaMag bottom metal.

The MambaMag bottom metals are compatible with MambaMags corresponding to their rifle type.

Specs:

- 6061-T6 aluminum bottom metal
- Hard black anodized finish
- Steel latch

Compatibility:

There are MambaMag bottom metals currently available for:

- Remington 700 Short Action
- Howa 1500 Short Action

MAMBAMAG BOTTOM METAL SAFETY INSTRUCTION GUIDE

Introduction

Thank you for choosing the MambaMag Bottom Metal for your Howa 1500 Short Action rifle. This product is designed to enhance your shooting experience by allowing the use of a detachable box magazine. To ensure your safety and the proper functioning of the product, please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure safe use of the MambaMag Bottom Metal by following all instructions provided in this guide.
- This product is designed for specific rifle models; do not use it with incompatible firearms.
- Regularly inspect the bottom metal and magazine for signs of wear or damage.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.
- Stay informed about product recalls and safety updates through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always handle firearms safely and responsibly.
- Ensure the rifle is unloaded before installing or removing the bottom metal.
- Do not attempt to modify the MambaMag Bottom Metal or the rifle stock.
- Use only MambaMag magazines designed for your specific rifle type.
- Keep the product out of reach of children and vulnerable individuals.

Instructions for Installation and Usage

Installation

1. **Gather Required Tools:** Ensure you have all necessary tools and hardware included with the MambaMag Bottom Metal.
2. **Unload Your Rifle:** Confirm that your rifle is completely unloaded.
3. **Remove Existing Bottom Metal:** Carefully detach the factory bottom metal from your rifle stock.
4. **Align the MambaMag Bottom Metal:** Position the MambaMag Bottom Metal in place, ensuring it fits securely.
5. **Secure the Bottom Metal:** Use the provided hardware to fasten the MambaMag Bottom Metal to your stock.
6. **Check for Stability:** Ensure the bottom metal is securely mounted and does not wobble.
7. **Load the Magazine:** Insert the MambaMag magazine into the bottom metal, ensuring it clicks into place.

Usage

- Always verify that the magazine is properly seated before firing.
- Follow all safety precautions related to firearm operation.
- Regularly check the magazine and bottom metal for any signs of malfunction.

Disposal Instructions

When the MambaMag Bottom Metal reaches the end of its life cycle or is no longer needed: * Dispose of the product in accordance with local regulations regarding metal recycling. * Ensure that all components are disposed of safely to prevent environmental harm.

Contact Information for Further Support

For any questions regarding the installation, usage, or safety of the MambaMag Bottom Metal, please refer to the manufacturer's contact information provided with your product packaging or visit the manufacturer's website.

Thank you for your attention to these safety instructions. By following these guidelines, you can ensure a safe and enjoyable experience with your MambaMag Bottom Metal.
