The Foundation is literally the cornerstone of Grey Birch, the company, the solid ground on which we will build our house. The end goal in building the Foundation has always been a lightweight, modular, adjustable and secure base to firmly house the barreled action in place from two locations. Everything builds off a firm Foundation.

The Foundation is a modular chassis system built around the 10/22® platform. The Foundation is packed with features to enhance the shooting experience with configurations ranging from short range race gun to long range precision.

Foundation 457 Chassis w/ Folding Stock Safety Instructions

Introduction

Thank you for choosing the Foundation 457 Chassis w/ Folding Stock. This product is designed to provide a secure and adjustable platform for your shooting needs. To ensure your safety and the safety of others, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat the chassis as if it is loaded.
- Keep the chassis pointed in a safe direction at all times.
- Ensure that the area around you is clear of people and obstacles before using the chassis.
- Store the chassis in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use of firearms and firearm accessories.

Specific Safety Precautions for Use

- Ensure that the chassis is compatible with your barreled action before installation.
- Do not exceed the weight limit specified by the manufacturer for mounted accessories.
- Use only the recommended magazines and ammunition types for your setup.
- Always wear appropriate eye and ear protection while using the chassis.
- Be aware of your surroundings and ensure that you have a clear line of sight when aiming and shooting.
- If you notice any malfunctions or irregularities during use, cease operation immediately and inspect the chassis.

Instructions for Installation and Usage

1. Installation:

- Ensure that the chassis is placed on a stable surface.
- Align the barreled action with the mounting points on the chassis.
- Securely fasten the barreled action using the provided screws, ensuring a tight fit.
- Attach the stock and forend as per the manufacturer's instructions.
- Adjust the length of pull and cheek height to suit your preference.

2. Usage:

- Before loading, doublecheck that the firearm is clear of any ammunition.
- Load the magazine and insert it into the magwell cutout.
- Ensure that the safety is engaged before handling the firearm.
- When ready to shoot, disengage the safety and aim at your target.
- After firing, reengage the safety before removing the magazine or clearing the firearm.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations regarding metal recycling and waste disposal.
- Ensure that any attached components are also disposed of properly.
- If you are unsure about disposal methods, contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the Foundation 457 Chassis w/ Folding Stock, please refer to the manufacturer's customer support resources. It is essential to have a point of contact for safety inquiries.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your Foundation 457 Chassis w/ Folding Stock. Always prioritize safety and responsibility when handling firearms and their accessories.
