

AR500 33% Pepper Popper Target

[Shooting Accessories](#) > [Targets & Accessories](#) > [Steel Targets](#)

Add some fun interactive targets to your range with these Caldwell AR500 Auto Resetting Targets. Constructed using AR500, the finest rifle rated target steel available on the market. Each target includes a free-standing frame, popper, or prairie dog shape AR500 target and ground stakes. The base of the frame sits 7-Inches off the ground. When the target is struck with a bullet it falls backward and is automatically reset with the integrated reset spring. For maximum life expectancy impact velocities of 3,000 fps or below and impact energies of 3,500 ft. lbs. or less are recommended.

Safety Instruction Guide for CALDWELL AR500 33% Pepper Popper Target

Introduction

Thank you for choosing the CALDWELL AR500 33% Pepper Popper Target. This interactive target is designed to enhance your shooting experience. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure the shooting range is safe and secure before use.
- Use appropriate ammunition as specified for the target.
- Always wear suitable eye and ear protection while shooting.
- Never shoot at targets that are not designed for firearms.
- Ensure that bystanders are at a safe distance from the shooting area.
- Report any unsafe products or accidents to the relevant authorities.
- Check for recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- **Hazard Identification:**
 - Potential hazards include ricochet from bullets and falling debris from the target.
- **Avoiding Hazards:**
 - Ensure that the target is set up in a safe location away from people and property.
 - Use the target only with firearms that are compatible with the AR500 steel.
 - Do not shoot at the target from distances closer than the recommended range.
- **Age Specific Warnings:**
 - This product is not intended for use by children. Always supervise minors when using firearms.

Instructions for Installation and Usage

- **Installation:**
 1. Choose a flat and stable area for setting up the target.
 2. Assemble the freestanding frame according to the included instructions.
 3. Secure the frame to the ground using the provided ground stakes to prevent tipping.
 4. Attach the AR500 target (popper or prairie dog shape) to the frame as directed.
 5. Ensure the target is properly positioned 7 inches off the ground.
- **Usage:**
 1. Stand at a safe distance as recommended by the manufacturer.
 2. Aim carefully and fire at the target.
 3. When the target is struck, it will fall backward and automatically reset.
 4. For optimal performance, ensure impact velocities are 3,000 fps or below and impact energies are 3,500 ft. lbs. or less.

Disposal Instructions

- Dispose of the target responsibly at the end of its life cycle.
- Consult local regulations for proper disposal methods for steel products.

- Do not dispose of the target in regular household waste.

Contact Information for Further Support

For any inquiries regarding safety or product usage, please refer to the manufacturer's contact details provided with the product packaging.

By following these safety instructions, you can ensure a safe and enjoyable experience with your CALDWELL AR500 33% Pepper Popper Target. Enjoy your shooting!
