BOG DeathGrip Mossy Oak Bottomland Safety Instruction Guide

Introduction

Thank you for choosing the BOG DeathGrip Mossy Oak Bottomland. This product is designed to provide you with a stable and secure hunting rest. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Always inspect the product before use for any signs of wear or damage.
- Ensure that the tripod is set up on stable ground to prevent tipping or collapsing.
- Do not exceed the weight limit specified by the manufacturer.
- Use the product only for its intended purpose as a hunting rest.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or accidents to the appropriate authorities.
- Stay informed about product recalls or safety updates through the EU Safety Gate platform.

Specific Safety Precautions for Use

- **Stability:** Ensure all legs of the tripod are fully extended and locked in place before use.
- **Weight Limit:** Do not exceed the maximum weight capacity of the tripod. Refer to the manufacturer's specifications for details.
- **Environmental Conditions:** Avoid using the tripod in severe weather conditions, such as high winds or heavy rain, which may affect its stability.
- **Awareness:** Be aware of your surroundings while using the tripod to avoid accidents or injuries.
- **Maintenance:** Regularly check and maintain the tripod to ensure all components are functioning correctly.

Instructions for Installation and Usage

1. Setup:

- Unfold the tripod legs and place them on a flat, stable surface.
- Adjust the height of the tripod according to your needs by locking the legs in place.
- Ensure that all locking mechanisms are secure before placing any weight on the tripod.

2. Usage:

- Position your firearm or equipment on the DeathGrip rest securely.
- Make sure the equipment is balanced and stable before taking aim.
- Always keep your finger off the trigger until you are ready to shoot.

3. Dismantling:

- After use, carefully remove your equipment from the DeathGrip rest.
- Collapse the tripod legs and store it in a safe place away from children and pets.

Disposal Instructions

- Dispose of the product in accordance with local regulations regarding waste disposal.
- If the product is no longer usable, consider recycling components where possible.

- Do not dispose of the product in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For any inquiries or concerns regarding the BOG DeathGrip Mossy Oak Bottomland, please consult the manufacturer's official website or customer service for support. Ensure that you have the product details handy for quicker assistance.

By following these safety guidelines and instructions, you can enjoy the benefits of the BOG DeathGrip Mossy Oak Bottomland while ensuring your safety and the safety of others. Thank you for your attention to these important details.
