

Drop-In Spacer for Dillon Case Feeder

[Reloading](#) > [Reloading Presses](#) > [Reloading Press Accessories](#)

Easy to setup Drop-in spacer for Dillon case feeder

This spacer for Dillon case feeder allows you quickly rise your case feeder plate without clutch system disassembly.

Just put it on casefeeder and insert plate above spacer.

You will get 1/4 inch rise (6,35mm).

This can be used for longer pistol cases that turn over.

Or short rifle cases such .300 AAC Blackout with Large pistol plate.

Only in black colour.

Price is for 1 piece.

ARMANOV DropIn Spacer for Dillon Case Feeder

Safety Instruction Guide

Introduction

Thank you for choosing the ARMANOV DropIn Spacer for Dillon Case Feeder. This product is designed to enhance your reloading experience by providing a simple solution for raising your case feeder plate. To ensure your safety and the effective use of this product, please read and follow the safety instructions outlined in this guide.

General Safety Guidelines

- Ensure that the product is used only for its intended purpose as described in this guide.
- Always inspect the product for any signs of damage or wear before use. Do not use if damaged.
- Keep the product out of reach of children and vulnerable individuals.
- Report any unsafe conditions or incidents related to this product to the relevant authorities.
- Stay informed about product recalls by checking the EU's Safety Gate platform regularly.

Specific Safety Precautions for Use

- Use the spacer only with compatible Dillon case feeders.
- Do not exceed the recommended height increase of 1/4 inch (6.35 mm) when using the spacer.
- Avoid using the spacer with cases that are not designed for this modification.
- Always ensure the spacer is securely placed before operating the case feeder.
- Do not attempt to modify or alter the spacer in any way.

Instructions for Installation and Usage

1. Installation:

- Place the ARMANOV DropIn Spacer on the case feeder base.
- Ensure that the spacer is positioned correctly and securely.
- Insert the case feeder plate above the spacer, ensuring it sits evenly.

2. Usage:

- Once installed, operate your Dillon case feeder as per the manufacturer's instructions.
- Monitor the operation of the case feeder to ensure smooth functioning.
- If you notice any irregularities or issues during operation, stop using the product immediately and inspect for problems.

Disposal Instructions

- Dispose of the product responsibly in accordance with local regulations.
- Do not dispose of the product in regular household waste if it is damaged or no longer usable.

Contact Information for Further Support

For any questions or concerns regarding the use of this product, please refer to the manufacturer's website or customer support channels. Ensure you have the product details handy for efficient assistance.

By following these safety instructions, you can ensure a safe and effective experience with the ARMANOV DropIn Spacer for Dillon Case Feeder. Thank you for your attention to these important guidelines.
