**AlphaGrip - The Original - The AlphaGrip gives the shooter optimal access to his AR-15 magazines.**

The honeycomb outer skin creates a reliable frictional connection between shooter and magazine.

The AlphaGrip fits all commercially available .223 PMAGs of the third generation.

Assembly is extremely easy:

NO IMAGE  
AVAILABLE

1. Remove the existing magazine base and replaced it with the AlphaGrip.
2. Let the magazine base snap on to the AlphaGrip.

No tools required!

- The AlphaGrip does NOT change the magazine load capacity
- Openings on the sides clearly show that it is a hollow body and that the loading capacity of the magazine remains unchanged

Manufactured in Germany using injection molding from highly stable glass fiber reinforced plastic as commonly used in the manufacture of modern guns / magazines. This guarantees a robust product with maximum reliability.

Makes access to the magazines in shooting sports much easier.

# AlphaGrip Safety Instruction Guide

## Introduction

Thank you for choosing the AlphaGrip .223 Rem by ALPHA PRECISION. This product is designed to enhance your shooting experience by providing optimal access to your AR15 magazines. Please read this safety instruction guide carefully to ensure safe and proper use of the AlphaGrip.

## General Safety Guidelines

- Always handle firearms and ammunition with care and respect.
- Ensure that the AlphaGrip is compatible with your specific magazine model before installation.
- Keep the AlphaGrip and all related products out of reach of children and unauthorized users.
- Regularly inspect the AlphaGrip for signs of wear or damage before each use.
- If you notice any defects or issues, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Avoid Overloading:** The AlphaGrip does not change the magazine load capacity. Do not attempt to exceed the manufacturer's recommended load.
- **Proper Handling:** Always ensure that your firearm is pointed in a safe direction when handling magazines.
- **Secure Fit:** Make sure the AlphaGrip is securely attached to the magazine before use. A loose fit may lead to malfunction.
- **Environmental Considerations:** Avoid exposing the AlphaGrip to extreme temperatures or harsh chemicals that may affect its integrity.
- **Use in Appropriate Conditions:** The AlphaGrip is intended for use in shooting sports. Do not use it in any other applications.

## Instructions for Installation and Usage

### 1. Remove Existing Magazine Base:

- Carefully detach the existing magazine base from your .223 PMAG.

### 2. Attach the AlphaGrip:

- Align the AlphaGrip with the magazine and press it onto the magazine base until you hear a snap indicating a secure fit.

### 3. Check the Fit:

- Ensure that the AlphaGrip is firmly attached and that there is no movement. The openings on the sides should be visible, confirming it is a hollow body.

### 4. Load the Magazine:

- Proceed to load your magazine as per the standard loading procedure. Do not exceed the load capacity indicated by the magazine manufacturer.

### 5. Store Safely:

- When not in use, store the AlphaGrip and magazines in a secure location.

## Disposal Instructions

- Dispose of the AlphaGrip in accordance with local regulations for plastic waste. Do not dispose of it in regular household waste.
- If the product is damaged or no longer needed, consider recycling it if facilities are available in your area.

## Contact Information for Further Support

For any inquiries regarding safety or product support, please refer to the contact details provided by your retailer or the manufacturer. Ensure you have the product information available for a quicker response.

By following these safety instructions, you can ensure a safe and enjoyable experience with your AlphaGrip. Always stay informed about best practices in firearm safety and usage. Thank you for your attention to these important guidelines.
