Description

Featuring Frictionless Release Technology™, this drop-in AR trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.030" tactical reset and offers outstanding reliability, even in the harshest environments. This trigger bears the adaptable name because changing its pull weight does not affect hammer force so you get dependable primer strikes at every weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

TRIGGERTECH AR15 Adaptable Trigger Safety Instructions

Introduction

Thank you for choosing the TRIGGERTECH AR15 Adaptable Trigger. This guide provides important safety instructions and guidelines to ensure the safe and effective use of your trigger. Please read this manual carefully before using the product.

General Safety Guidelines

- Always ensure that your firearm is unloaded before installing or handling the trigger.
- Use the trigger only in a safe and controlled environment.
- Keep the trigger out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage.
- Follow all local laws and regulations regarding firearms and accessories.
- Always wear appropriate eye and ear protection when using firearms.

Specific Safety Precautions for Use

- Do not modify the trigger or its components in any way, as this may compromise safety and performance.
- Ensure that the trigger is compatible with your specific AR15 model before installation.
- Avoid using the trigger in extreme environmental conditions without proper testing.
- Be aware of your surroundings and ensure a clear shooting lane before firing.
- Do not use the trigger if it shows signs of malfunction or if you have concerns about its safety.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger from your AR15 according to the manufacturer's instructions.
- Install the TRIGGERTECH AR15 Adaptable Trigger by following the provided installation guide.
- Ensure all components are securely fastened and that there are no loose parts.

2. Usage:

- Familiarize yourself with the trigger's operation before using it in a livefire situation.
- Practice dry firing in a safe environment to understand the trigger's feel and operation.
- When ready to use, load your firearm in a safe area and ensure you have a proper shooting stance.
- Use the trigger as intended, maintaining focus on safety and control during operation.

Disposal Instructions

- Dispose of the trigger in accordance with local regulations regarding firearm accessories.
- If the trigger is damaged or no longer usable, contact your local waste management facility for proper disposal methods.
