

# AR9 - Black Adaptable Curved

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Material Details

1. Housing: 7075 Aluminum (annodized)
2. Key Components: 440C Stainless Steel
3. PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

### AR9

The AR-9 trigger's hammer design has more mass compared to our AR15 model, which increases inertia. The Center of Percussion is also lower in comparison to AR15, which is specific to the AR-9 platform. This allows maximum energy delivery upon impact with the firing pin, while reducing vibration and wear.

### Description

Our Pistol Caliber Carbine Triggers are built for top competitive shooters to offer the most accurate and dependable trigger on the market. Featuring Zero Creep Technology™, this drop-in trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.015" tactical reset and offers outstanding reliability, even in the harshest environments. Changing the pull weight does not affect hammer force so you get dependable primer strikes at every weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Zero Creep Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

### Attributes

- Name: [TRIGGERTECH AR9 - Black Adaptable Curved](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2009999
- Mfr. No.: AR9-TBB-36-NNC
- Style: Curved
- Weapon type: AR-15
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 114mm
- Shipping length: 140mm
- UPC: 885768003049

## Safety Instructions

### Introduction

Thank you for choosing the TRIGGERTECH AR9 Black Adaptable Trigger. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this manual thoroughly before installation and use.

### General Safety Guidelines

- Ensure that the product is used only for its intended purpose.
- Always handle the trigger with care and follow safe firearm handling practices.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage. Do not use if damaged.
- Report any unsafe products or accidents to the appropriate authorities.

### Specific Safety Precautions for Use

- Always ensure that the firearm is unloaded before installing or adjusting the trigger.
- Wear appropriate safety gear, including eye protection, when handling firearms.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid modifications to the trigger that are not approved by the manufacturer.
- Do not use the trigger in combination with incompatible firearm parts.

### Instructions for Installation and Usage

#### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Existing Trigger:** Follow the manufacturer's instructions for removing the existing trigger safely.
3. **Install the TRIGGERTECH AR9 Trigger:**
  - Align the trigger with the trigger housing.
  - Securely fasten the trigger according to the manufacturer's specifications.
4. **Check Functionality:** Verify that the trigger operates correctly before using the firearm.

#### Usage

- Familiarize yourself with the trigger's features, including Zero Creep Technology™ and Frictionless Release Technology™.
- Adjust the pull weight as needed, ensuring that it does not affect hammer force.
- Practice shooting in a controlled environment to become accustomed to the trigger's performance.

### Disposal Instructions

- Dispose of the trigger and its components in accordance with local regulations.
- Do not dispose of the trigger in regular household waste. Contact local authorities for proper disposal methods.

### Contact Information for Further Support

For safety inquiries or support, please refer to the manufacturer's website or customer service resources.

Ensure that you have the product information available for assistance.

Thank you for prioritizing safety while enjoying your TRIGGERTECH AR9 Black Adaptable Trigger. Your adherence to these guidelines helps ensure a safe and enjoyable shooting experience.
