

AR9 - Black Adaptable Flat

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Material Details

1. Housing: 7075 Aluminum (annodized)
2. Key Components: 440C Stainless Steel
3. PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

AR9

The AR-9 trigger's hammer design has more mass compared to our AR15 model, which increases inertia. The Center of Percussion is also lower in comparison to AR15, which is specific to the AR-9 platform. This allows maximum energy delivery upon impact with the firing pin, while reducing vibration and wear.

Description

Our Pistol Caliber Carbine Triggers are built for top competitive shooters to offer the most accurate and dependable trigger on the market. Featuring Zero Creep Technology™, this drop-in trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.015" tactical reset and offers outstanding reliability, even in the harshest environments. Changing the pull weight does not affect hammer force so you get dependable primer strikes at every weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Zero Creep Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

Attributes

- Name: [TRIGGERTECH AR9 - Black Adaptable Flat](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010000
- Mfr. No.: AR9-TBB-36-NNF

TRIGGERTECH AR9 Black Adaptable Trigger Safety Instructions

Introduction

Thank you for choosing the TRIGGERTECH AR9 Black Adaptable Trigger. This document provides essential safety guidelines and instructions to ensure the proper and safe use of your trigger. Please read this guide thoroughly before installation and usage.

General Safety Guidelines

- Always treat all firearms and their components as if they are loaded.
- Ensure that your firearm is pointed in a safe direction at all times.
- Keep your finger off the trigger until you are ready to shoot.
- Store your trigger and firearm in a secure location, away from children and unauthorized users.
- Familiarize yourself with the specific operation of your firearm and its components before use.
- Regularly inspect your trigger and firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- The TRIGGERTECH AR9 is designed for use with compatible firearms. Ensure compatibility before installation.
- Do not modify the trigger or its components as this may compromise safety and performance.
- Always use appropriate eye and ear protection when using firearms.
- Be aware of your surroundings and ensure a clear line of sight before firing.
- Avoid using the trigger in adverse weather conditions that may affect its performance.
- Ensure that the trigger is installed correctly to prevent accidental discharge.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger assembly according to the manufacturer's instructions.
- Carefully install the TRIGGERTECH AR9 trigger into the firearm, ensuring all components are properly aligned.
- Follow the manufacturer's guidelines for securing the trigger assembly in place.

2. Usage:

- Before using the firearm, conduct a function check of the trigger to ensure proper operation.
- Adjust the pull weight as needed, ensuring that it does not affect hammer force.
- Practice safe shooting techniques and maintain control of the firearm at all times.

3. PostUse:

- After use, clean the trigger and firearm according to the manufacturer's recommendations.
- Store the firearm and trigger securely when not in use.

Disposal Instructions

- Dispose of any packaging materials responsibly by recycling where possible.
- If the trigger or its components are damaged beyond repair, follow local regulations for the disposal of firearm components.
- Ensure that any disposed items do not pose a risk to the environment or public safety.

Contact Information for Further Support

For any inquiries or concerns regarding the TRIGGERTECH AR9 Black Adaptable Trigger, please refer to the manufacturer's contact information provided with your product.

Thank you for prioritizing safety and for choosing TRIGGERTECH.
