

# MPX - Black Adaptable Flat

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Material Details

1. Housing: 7075 Aluminum (annodized)
2. Key Components: 440C Stainless Steel
3. PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

## SIG MPX

The SIG MPX trigger features a bumper in the housing that transfers the majority of the blow back energy to the lower receiver. This was designed with safety in mind and helps to protect the trigger.

## Description

Our Pistol Caliber Carbine Triggers are built for top competitive shooters to offer the most accurate and dependable trigger on the market. Featuring Zero Creep Technology™, this drop-in trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.015" tactical reset and offers outstanding reliability, even in the harshest environments. Changing the pull weight does not affect hammer force so you get dependable primer strikes at every weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Zero Creep Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH MPX - Black Adaptable Flat](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010002
- Mfr. No.: ARP-TBB-36-NNF
- Model: MPX
- Style: Flat
- Weapon type: Sig Sauer
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 114mm
- Shipping length: 140mm
- UPC: 885768002264

# Safety Instruction Guide for TRIGGERTECH MPX Black Adaptable Trigger

## Introduction

Thank you for choosing the TRIGGERTECH MPX Black Adaptable Trigger. This guide provides important safety information and instructions to ensure the safe use of your product. Please read this guide carefully before use.

## General Safety Guidelines

- **Product Safety:** Ensure safe use of the TRIGGERTECH MPX trigger by following all instructions and guidelines.
- **Enhanced Recalls:** Stay informed about product recalls. In case of any safety issues, you will be notified through standardized recall notices.
- **Online Shopping:** If purchased online, ensure the seller meets all safety requirements similar to physical stores.
- **Special Consumer Focus:** Extra safety measures are in place for vulnerable groups. Keep this product out of reach of children.
- **EU Contact Point:** For safety inquiries, please refer to the designated EU contact point associated with this product.
- **Rapid Alerts:** Stay updated on any unsafe product alerts via the EU's Safety Gate system.

## Specific Safety Precautions for Use

- **Read the Manual:** Always read and understand the manual before using the trigger.
- **Use as Intended:** This trigger is designed for use with the SIG MPX platform. Do not use it with incompatible firearms.
- **Regular Inspections:** Regularly inspect the trigger for any signs of wear or damage. Replace if necessary.
- **Avoid Modifications:** Do not modify the trigger or its components. Unauthorized modifications can lead to unsafe operation.
- **Safe Handling:** Always treat the trigger as if it is loaded. Follow all firearm safety rules.
- **Storage:** Store the trigger in a secure location, away from children and unauthorized users.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the manufacturer's instructions.
- Carefully install the TRIGGERTECH MPX trigger into the lower receiver.
- Ensure all components are securely in place and functioning correctly.
- Perform a function check before using the firearm.

### 2. Usage:

- Familiarize yourself with the trigger's operation and features.
- Practice using the trigger in a safe environment.
- Always wear appropriate eye and ear protection when using the firearm.
- Do not exceed the recommended pull weight adjustments.

## Disposal Instructions

- **Responsible Disposal:** Dispose of the trigger and any associated materials in accordance with local regulations.
- **Recycling:** If possible, recycle the aluminum and steel components to minimize environmental impact.

## Contact Information for Further Support

For any questions or concerns regarding the TRIGGERTECH MPX Black Adaptable Trigger, please refer to the designated EU contact point associated with this product for assistance.

By following these guidelines and instructions, you can ensure the safe and effective use of your TRIGGERTECH MPX Black Adaptable Trigger. Always prioritize safety and responsible handling. Thank you for your attention to these important safety measures.
