

FX9 - Black Adaptable Curved

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

FX9

The FX-9 trigger is nearly identical to the AR-9 trigger design, except it has lower disconnect engagement to provide the extra clearance required by the FX-9 platform bolt carrier group. This trigger is ideal for PCC's that have a lower bolt carrier group.

Description

Our Pistol Caliber Carbine Triggers are built for top competitive shooters to offer the most accurate and dependable trigger on the market. Featuring Zero Creep Technology™, this drop-in trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.015" tactical reset and offers outstanding reliability, even in the harshest environments. Changing the pull weight does not affect hammer force so you get dependable primer strikes at every weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Zero Creep Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

Attributes

- Name: [TRIGGERTECH FX9 - Black Adaptable Curved](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010003
- Mfr. No.: ARF-TBB-36-NNC

Safety Instruction Guide for TRIGGERTECH FX9 Black Adaptable Trigger

Introduction

Thank you for choosing the TRIGGERTECH FX9 Black Adaptable Trigger. This guide provides essential safety instructions and usage guidelines to ensure your safety and the proper functioning of the product. Please read this document carefully before use.

General Safety Guidelines

- **Product Safety:** This trigger is designed for safe use in pistol caliber carbines (PCCs). Ensure that you understand all safety measures before installation and use.
- **Enhanced Recalls:** In the unlikely event of a product recall, you will be informed through standardized notices. Always check for updates.
- **Online Shopping:** If purchased online, this product has the same safety protections as those bought in physical stores.
- **Special Consumer Focus:** Extra care should be taken when this product is used by or around vulnerable groups, especially children.
- **EU Contact Point:** For any safety inquiries, please refer to the appropriate EU-based contact point.
- **Rapid Alerts:** Stay informed about any safety issues or recalls through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Always handle the trigger with care and ensure that the firearm is unloaded before installation.
- Do not modify the trigger in any way. Modifications can lead to malfunctions and unsafe conditions.
- Ensure that the trigger is compatible with your specific PCC model before installation.
- Always wear appropriate safety gear, including eye protection, when handling firearms.
- Keep the trigger and all firearm components out of reach of children and unauthorized users.
- Regularly inspect the trigger for wear and tear. Replace any damaged components immediately.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is completely unloaded.
- Remove the existing trigger from your PCC according to the manufacturer's instructions.
- Carefully install the TRIGGERTECH FX9 trigger, ensuring that it is seated properly within the trigger housing.
- Follow the specific installation instructions provided by the firearm manufacturer to ensure proper fit and function.
- Test the trigger function prior to use to confirm that it operates smoothly without any hindrance.

2. Usage:

- Familiarize yourself with the trigger's operation. The TRIGGERTECH FX9 features Zero Creep Technology™, providing a short, twostage action.
- Always practice safe firearm handling techniques. Keep the firearm pointed in a safe direction at all times.
- Ensure that you have a proper grip and stance when using the firearm equipped with the TRIGGERTECH FX9 trigger.
- Be aware of your surroundings and ensure that you are in a safe environment when firing.

Disposal Instructions

- Dispose of the TRIGGERTECH FX9 trigger responsibly. Do not dispose of it in regular household waste.
- Follow local regulations for the disposal of firearm components. Contact your local waste management authority for guidance.

Contact Information for Further Support

For any questions or concerns regarding the TRIGGERTECH FX9 trigger, please refer to the appropriate EUbased contact point for assistance. Ensure you have your product details ready for a more efficient response.

Thank you for your attention to these safety instructions. Proper use and care of your TRIGGERTECH FX9 trigger will enhance your shooting experience while ensuring safety.
