

# FX9 - Black Adaptable Flat

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

### FX9

The FX-9 trigger is nearly identical to the AR-9 trigger design, except it has lower disconnect engagement to provide the extra clearance required by the FX-9 platform bolt carrier group. This trigger is ideal for PCC's that have a lower bolt carrier group.

### Description

Our Pistol Caliber Carbine Triggers are built for top competitive shooters to offer the most accurate and dependable trigger on the market. Featuring Zero Creep Technology™, this drop-in trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.015" tactical reset and offers outstanding reliability, even in the harshest environments. Changing the pull weight does not affect hammer force so you get dependable primer strikes at every weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Zero Creep Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

### Attributes

- Name: [TRIGGERTECH FX9 - Black Adaptable Flat](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010004
- Mfr. No.: ARF-TBB-36-NNF
- Style: Flat
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 114mm
- Shipping length: 140mm
- UPC: 885768003094

# TRIGGERTECH FX9 Black Adaptable Trigger Safety Instruction Guide

## Introduction

Thank you for choosing the TRIGGERTECH FX9 Black Adaptable Trigger. This guide provides important safety information, usage instructions, and disposal guidelines to ensure your product is used safely and effectively. Please read this guide thoroughly before using the trigger.

## General Safety Guidelines

- Ensure that you fully understand how to operate the trigger before use.
- Always handle the trigger with care and ensure it is installed correctly.
- Keep the trigger out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage.
- If you notice any irregularities or malfunctions, cease use immediately and consult a professional.
- Always follow all local laws and regulations regarding firearm accessories.

## Specific Safety Precautions for Use

- The trigger is designed for use with Pistol Caliber Carbines (PCCs) that have a lower bolt carrier group. Ensure compatibility before installation.
- Avoid using the trigger in harsh environments without proper maintenance.
- Do not modify the trigger in any way, as this may compromise safety and performance.
- Ensure the firearm is unloaded before installing or adjusting the trigger.
- Use appropriate protective gear, such as safety glasses, when handling firearms.

## Instructions for Installation and Usage

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the Old Trigger:** Follow the manufacturer's instructions for safely removing the existing trigger from your PCC.
3. **Install the FX9 Trigger:**
  - Align the FX9 trigger with the trigger housing.
  - Secure the trigger in place according to the installation manual provided with your PCC.
4. **Check Functionality:** After installation, check for proper operation by performing a function check. Ensure the trigger engages and resets correctly.

### Usage

- The FX9 trigger features Zero Creep Technology™ for a smooth pull and quick reset.
- Adjust the pull weight as needed; however, note that changing the pull weight does not affect hammer force.
- Always be aware of your surroundings and ensure a safe shooting environment when using your firearm.

## Disposal Instructions

- When disposing of the trigger, follow local regulations regarding electronic and metal waste.
- If the trigger is damaged or no longer functional, do not attempt to repair it. Dispose of it responsibly.
- Consider recycling components where possible.

## **Contact Information for Further Support**

For questions or concerns regarding the TRIGGERTECH FX9 Black Adaptable Trigger, please refer to the manufacturer's contact points available on the product packaging or their official website.

## **Conclusion**

Your safety and satisfaction are our top priorities. By following these guidelines, you can ensure a safe and enjoyable experience with your TRIGGERTECH FX9 Black Adaptable Trigger. Always stay informed and take necessary precautions when using firearm accessories. Thank you for choosing TRIGGERTECH.
