

# MCX - Black Adaptable Flat

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Material Details

1. Housing: 7075 Aluminum (annodized)
2. Key Components: 440C Stainless Steel
3. PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

## Description

NO IMAGE  
AVAILABLE

The SIG MCX Trigger is built for top competitive shooters to offer the most accurate and dependable trigger on the market. Featuring Frictionless Release Technology™, this drop-in AR trigger has a short, two-stage action, designed to feel like a 1911 trigger, that provides a true zero-creep break, extremely short overtravel, a sub 0.015" tactical reset and offers outstanding reliability, even in the harshest environments. Changing the pull weight does not affect hammer force so you get dependable primer strikes at every weight.

Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH MCX - Black Adaptable Flat](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010006
- Mfr. No.: ARC-TBB-25-NNF
- Model: MCX
- Style: Flat
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 114mm
- Shipping length: 140mm
- UPC: 885768002288

# Safety Instruction Guide for TRIGGERTECH MCX Black Adaptable Trigger

## Introduction

Thank you for choosing the TRIGGERTECH MCX Black Adaptable Trigger. This guide provides essential safety instructions to ensure the safe use of this product. Please read this guide carefully before use to understand the necessary precautions and procedures.

## General Safety Guidelines

- Ensure that the trigger is installed by a qualified gunsmith or experienced individual.
- Always treat every firearm as if it is loaded.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and usage.
- Store the trigger and firearm in a secure location when not in use.

## Specific Safety Precautions for Use

- Only use the TRIGGERTECH MCX trigger with compatible firearms.
- Do not modify the trigger or its components in any way.
- Always ensure the firearm is pointed in a safe direction when handling.
- Use appropriate protective gear, such as eye and ear protection, when testing or using the trigger.
- Be aware of your surroundings and ensure a safe shooting environment.
- Avoid using the trigger in adverse weather conditions that may affect performance.

## Instructions for Installation and Usage

### 1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the firearm manufacturer's instructions.
- Carefully install the TRIGGERTECH MCX trigger, ensuring all components are securely in place.
- Doublecheck that the trigger functions correctly before use.

### 2. Usage:

- Familiarize yourself with the trigger's operation before use.
- Practice safe handling techniques at all times.
- Test the trigger in a controlled environment to ensure proper functionality.
- Adjust the pull weight as necessary, ensuring it remains within safe limits.
- If you experience any malfunctions, stop using the trigger immediately and consult a qualified gunsmith.

## Disposal Instructions

- Dispose of any packaging materials responsibly, following local recycling guidelines.
- If the trigger is no longer usable, consult local regulations for the proper disposal of firearm components.
- Do not dispose of the trigger in regular household waste.

## Contact Information for Further Support

For any safety inquiries or further assistance, please consult the manufacturer's website or customer service resources. Ensure to have your product details ready for a more efficient response.

Thank you for prioritizing safety. Your adherence to these guidelines will help ensure a safe and enjoyable experience with the TRIGGERTECH MCX Black Adaptable Trigger.
