## Description

The Rem 700 Primary is the ideal upgrade to improve accuracy and precision on any Remington 700 model rifle. Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured pull weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH Rem700 Primary - Right - No bolt release - Straight Flat \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010012
- Mfr. No.: R70-SBB-14-TNF
- Model: 700
- Style: Adjustable
- Weapon type: Remington
- Delivery weight: 0.15kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768000192

# Safety Instruction Guide for TRIGGERTECH REM700 PRIMARY RIGHT NO BOLT RELEASE

## Introduction

Thank you for choosing the TRIGGERTECH Rem700 Primary trigger. This guide provides essential safety information and instructions to ensure the safe use of your product, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Always handle firearms and firearm accessories with care and respect.
- Ensure that the trigger is installed correctly and securely before using the firearm.
- Be aware of your surroundings and ensure a safe shooting environment.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- If you encounter any issues, discontinue use and seek professional assistance.

## Specific Safety Precautions for Use

- Ensure that the firearm is unloaded before installing or adjusting the trigger.
- Use only compatible Remington 700 models with this trigger.
- Do not modify the trigger or its components beyond the manufacturer's specifications.
- Always wear appropriate eye and ear protection when shooting.
- Be mindful of the trigger pull weight; ensure it is set to a level that you are comfortable with.
- Do not use the firearm under the influence of drugs or alcohol.

## Instructions for Installation and Usage

### 1. Installation

- Ensure the firearm is unloaded and safe.
- Remove the existing trigger from the Remington 700 rifle.
- Carefully install the TRIGGERTECH Rem700 Primary trigger, following the manufacturer's instructions.
- Secure all screws and components firmly.
- Test the trigger for proper function before using the firearm.

### 2. Usage

- Familiarize yourself with the trigger's operation before taking it to the range.
- Practice dry firing in a safe environment to understand the trigger pull and release.
- Always maintain proper shooting posture and grip when using the firearm.
- After each use, clean and inspect the trigger for any debris or damage.

## Disposal Instructions

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the trigger in regular household waste.
- Contact local recycling centers for proper disposal methods.

## Contact Information for Further Support

For any safety inquiries or assistance regarding the TRIGGERTECH Rem700 Primary trigger, please refer to the manufacturer's contact details provided in the product documentation or packaging.

## Conclusion

By following these safety instructions and guidelines, you can help ensure a safe and enjoyable experience with your TRIGGERTECH Rem700 Primary trigger. Always prioritize safety and responsibility when handling firearms.
