## Description

The first Rem 700 Diamond Trigger was shown at the 2017 NRA Show. Since then TriggerTech has worked with the K&M Shooting Team and several leading R700 Clone action manufacturers to refine the product. The diamond will make you aware of the creep that exists in other triggers. Due to the exceptionally crisp break, most shooters report the pull weights feeling significantly lighter than a friction based trigger of the same measured weight. Five of the critical Diamond components are assembled as matched set to enable a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH Rem700 Diamond - Right - No bolt release - Pro Curved \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010020
- Mfr. No.: R70-SRB-02-TNP
- Make: Remington
- Model: 700
- Style: Adjustable, Curved
- Delivery weight: 0.15kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768000727

# TRIGGERTECH REM700 DIAMOND RIGHT NO BOLT RELEASE TRIGGER Safety Instruction Guide

## Introduction

Thank you for purchasing the TRIGGERTECH REM700 DIAMOND RIGHT NO BOLT RELEASE TRIGGER. This guide provides essential safety instructions to ensure the proper use, installation, and disposal of your trigger, in compliance with the EU General Product Safety Regulation (GPSR). Please read this guide carefully before using the product.

## General Safety Guidelines

- Ensure that you are familiar with the proper handling and usage of firearms and firearm accessories.
- Always treat every firearm as if it is loaded.
- Keep the trigger and firearm out of reach of children and unauthorized users.
- Inspect the trigger before each use for any signs of damage or wear.
- Do not modify the trigger or any of its components.
- Follow all local laws and regulations related to firearm usage and safety.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.

## Specific Safety Precautions for Use

- **Potential Hazards:**
  - Misfiring or accidental discharge if the trigger is not used correctly.
  - Injury from improper installation or handling.
- **Avoiding Hazards:**
  - Ensure the firearm is pointed in a safe direction at all times.
  - Do not place your finger on the trigger until you are ready to fire.
  - Always keep the safety mechanism engaged until you are ready to shoot.
  - Use only compatible firearms with the TRIGGERTECH REM700 DIAMOND trigger.
  - Be aware of your surroundings and ensure a clear shooting area.
- **Age Restrictions:**
  - This product is intended for use by individuals aged 18 and older. Ensure that it is not used by minors without adult supervision.

## Instructions for Installation and Usage

- **Installation Instructions:**
  1. Ensure the firearm is unloaded and pointed in a safe direction.
  2. Remove the existing trigger from the firearm according to the manufacturer's instructions.
  3. Carefully install the TRIGGERTECH REM700 DIAMOND trigger, ensuring all components are properly aligned.
  4. Secure the trigger in place as per the manufacturer's specifications.
  5. Perform a function check to ensure proper operation before use.
- **Usage Instructions:**

- Familiarize yourself with the trigger's operation before using it in a live firing situation.
- Practice safe handling and shooting techniques at all times.
- Regularly check the trigger for functionality and any signs of wear.

## **Disposal Instructions**

- When disposing of the TRIGGERTECH REM700 DIAMOND trigger, follow these guidelines:
  - Do not dispose of the trigger in regular household waste.
  - Check local regulations for the proper disposal of firearm components.
  - Consider returning the product to the manufacturer for recycling or safe disposal.

## **Contact Information for Further Support**

For any inquiries regarding the TRIGGERTECH REM700 DIAMOND RIGHT NO BOLT RELEASE TRIGGER, please refer to the manufacturer's website or contact their support team. Ensure you have your product details and any relevant information ready when seeking assistance.

## **Conclusion**

By following these safety instructions, you can help ensure a safe and enjoyable experience with your TRIGGERTECH REM700 DIAMOND trigger. Always prioritize safety and responsible usage when handling firearms and their components. Thank you for choosing TRIGGERTECH.
