Description

The Rem 700 Special is an upgraded version of the Primary model which further enhances accuracy and precision on any Remington 700 model rifle. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured weight. Just like the Primary model, this drop-in trigger provides a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

Attributes

- Name: [TRIGGERTECH Rem700 Special - Left - No bolt release - Traditional Curved \(Stainless\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010025
- Mfr. No.: R7L-SBS-13-TNC
- Model: 700
- Style: Adjustable, Curved
- Weapon type: Remington
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768000147

Safety Instruction Guide for TRIGGERTECH REM700 SPECIAL LEFT NO BOLT RELEASE

Introduction

Thank you for choosing the TRIGGERTECH REM700 SPECIAL LEFT NO BOLT RELEASE trigger. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. Please read this guide carefully before installation and use.

General Safety Guidelines

- Ensure that you fully understand the operation of your firearm and the trigger system before use.
- Always treat your firearm as if it is loaded.
- Keep the trigger area free from obstructions and ensure that your fingers are not on the trigger until you are ready to shoot.
- Be aware of your surroundings and ensure that you are in a safe environment when handling your firearm.
- Store the trigger and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Follow all local laws and regulations regarding firearm ownership and use.

Specific Safety Precautions for Use

- Only use the TRIGGERTECH REM700 SPECIAL trigger with compatible Remington 700 models.
- Ensure that the trigger is installed correctly according to the provided installation instructions.
- Do not modify or alter the trigger in any way as this may compromise its safety and performance.
- Be cautious when adjusting the trigger pull weight; make adjustments in small increments and test the trigger after each adjustment.
- If you experience any malfunctions or irregularities during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and safe to work on.
- Remove the existing trigger from the firearm following the manufacturer's instructions.
- Carefully install the TRIGGERTECH REM700 SPECIAL trigger in accordance with the installation manual.
- Verify that all components are securely fastened and that the trigger functions correctly before reassembling the firearm.

2. Usage:

- Once installed, practice safe handling procedures at all times.
- Before firing, ensure that the trigger pull weight is set to your desired specification.
- Always aim in a safe direction and be aware of your target and what lies beyond it.
- After each use, clean the trigger and firearm to maintain performance and longevity.

Disposal Instructions

- When disposing of the TRIGGERTECH REM700 SPECIAL trigger, follow local regulations for the disposal of metal products.

- Ensure that all components are disposed of in an environmentally friendly manner.
- Do not discard the trigger in regular household waste.

Contact Information for Further Support

For any safety inquiries or further support regarding the TRIGGERTECH REM700 SPECIAL trigger, please consult your local dealer or reach out to the manufacturer directly. Ensure you have the product details on hand for efficient assistance.

Conclusion

By following these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your TRIGGERTECH REM700 SPECIAL LEFT NO BOLT RELEASE trigger. Always prioritize safety and responsible firearm handling. Thank you for your attention to these important safety measures.
