Description

The first Rem 700 Diamond Trigger was shown at the 2017 NRA Show. Since then TriggerTech has worked with the K&M Shooting Team and several leading R700 Clone action manufacturers to refine the product. The diamond will make you aware of the creep that exists in other triggers. Due to the exceptionally crisp break, most shooters report the pull weights feeling significantly lighter than a friction based trigger of the same measured weight. Five of the critical Diamond components are assembled as matched set to enable a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

Attributes

- Name: [TRIGGERTECH Rem700 Diamond - Left - No bolt release - Traditional Curved \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010030
- Mfr. No.: R7L-SRB-02-TNC
- Model: 700
- Style: Adjustable, Curved
- Weapon type: Remington
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768000765

TRIGGERTECH REM700 DIAMOND LEFT NO BOLT RELEASE TRIGGER Safety Instruction Guide

Introduction

Thank you for choosing the TRIGGERTECH REM700 DIAMOND LEFT NO BOLT RELEASE TRIGGER. This guide provides essential safety instructions to ensure the safe use of your product. Please read this manual carefully before using the trigger.

General Safety Guidelines

- Ensure safe use of the trigger by following all instructions provided in this guide.
- Be aware of the potential risks associated with using triggers, including accidental discharge and improper handling.
- This product complies with EU General Product Safety Regulation (GPSR) standards to ensure your safety.
- If you are unsure about any aspect of the product, seek assistance before use.

Specific Safety Precautions for Use

- Always treat your firearm and trigger as if they are loaded.
- Keep the trigger and firearm pointed in a safe direction at all times.
- Ensure that the trigger is installed correctly before use.
- Avoid using the trigger if it shows any signs of damage or wear.
- Do not modify the trigger in any way, as this may compromise its safety and performance.
- Keep the trigger out of reach of children and unauthorized users.
- Always wear appropriate eye and ear protection when using firearms equipped with this trigger.
- Be aware of your surroundings and ensure that no one is in the line of fire when using the firearm.

Instructions for Installation and Usage

- Before installation, ensure that the firearm is unloaded and pointed in a safe direction.
- Follow these steps for correct installation:
 1. Remove the existing trigger from your Remington 700 firearm.
 2. Carefully install the TRIGGERTECH REM700 DIAMOND trigger according to the manufacturer's specifications.
 3. Ensure all components are securely fastened and that the trigger operates smoothly.
 4. Perform a safety check to confirm proper installation and function.
- After installation, familiarize yourself with the trigger's operation:
 - The trigger features Frictionless Release Technology™, which provides a crisp break with minimal overtravel.
 - Test the trigger in a safe environment before using it in the field.
- Follow all manufacturer guidelines for maintenance and care of the trigger to ensure optimal performance.

Disposal Instructions

- Dispose of the trigger and any associated materials in accordance with local regulations.
- Do not dispose of the trigger in regular household waste. Instead, contact local waste management authorities for proper disposal methods.

Contact Information for Further Support

For any inquiries regarding the product, please refer to the official TRIGGERTECH website or contact your local distributor for assistance.

Thank you for your attention to these safety guidelines. Your safety is our priority, and we appreciate your commitment to responsible firearm handling.
