

# Rem700 Diamond - Left - No bolt release - Straight Flat (PVD Black)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

## Material Details

1. Housing: 7075 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black - PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

## Description

The first Rem 700 Diamond Trigger was shown at the 2017 NRA Show. Since then TriggerTech has worked with the K&M Shooting Team and several leading R700 Clone action manufacturers to refine the product. The diamond will make you aware of the creep that exists in other triggers. Due to the exceptionally crisp break, most shooters report the pull weights feeling significantly lighter than a friction based trigger of the same measured weight. Five of the critical Diamond components are assembled as matched set to enable a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH Rem700 Diamond - Left - No bolt release - Straight Flat \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010031
- Mfr. No.: R7L-SRB-02-TNF
- Model: 700
- Style: Adjustable
- Weapon type: Remington
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768000772

## Safety Instruction Guide

### Introduction

Thank you for choosing the TRIGGERTECH Rem700 Diamond Trigger. This guide provides essential safety instructions to ensure safe and effective use of the product. Please read this guide carefully before installation and use.

### General Safety Guidelines

- **Product Safety:** Ensure safe use of the trigger by following all instructions and guidelines. This product is designed for nonfood use and incorporates advanced technology.
- **Enhanced Recalls:** Be aware that in the event of a safety issue, standardized recall notices will be issued, and remedies will be provided for any dangerous products.
- **Online Shopping:** If purchased online, this product is subject to the same safety regulations as those bought in physical stores.
- **Special Consumer Focus:** Extra care should be taken if the product is used in environments where vulnerable groups, such as children, may be present.
- **EU Contact Point:** For any safety inquiries, ensure you have access to an EUbased contact.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding unsafe products.

### Specific Safety Precautions for Use

- **Potential Hazards:**
  - Improper installation may lead to malfunction.
  - Use of the trigger with incompatible firearms can result in severe injury.
  - Improper handling can cause accidental discharge.
- **Avoiding Hazards:**
  - Always ensure the firearm is unloaded before installation or maintenance.
  - Follow all local laws and regulations regarding firearm modifications.
  - Do not use the trigger if it shows signs of damage or wear.
- **Age Specific Warnings:**
  - This product is intended for use by individuals aged 18 and older. Ensure that minors do not have access to the trigger or the firearm it is installed on.

### Instructions for Installation and Usage

#### 1. Installation:

- Ensure the firearm is unloaded.
- Remove the existing trigger according to the manufacturer's instructions.
- Install the TRIGGERTECH Rem700 Diamond Trigger by following these steps:
  - Align the trigger with the mounting points.
  - Secure the trigger using the provided screws, ensuring they are tightened to the manufacturer's specifications.
  - Doublecheck that the trigger moves freely and does not bind.

#### 2. Usage:

- Always treat the firearm as if it is loaded.
- Before each use, conduct a safety check of the trigger and firearm.
- Use the trigger only with compatible Remington 700 series firearms.
- Follow safe shooting practices and ensure a clear line of sight before firing.
- Store the firearm in a secure location when not in use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations.
- Do not dispose of the trigger with regular household waste.
- Contact local waste management services for proper disposal methods for firearms accessories.

## **Contact Information for Further Support**

For any questions or concerns regarding the TRIGGERTECH Rem700 Diamond Trigger, please reach out to your local dealer or manufacturer's representative. Ensure you have the product details at hand for efficient assistance.

## **Conclusion**

By adhering to these safety guidelines and instructions, you can ensure the safe and effective use of the TRIGGERTECH Rem700 Diamond Trigger. Always prioritize safety and follow all relevant laws and regulations. Thank you for your commitment to responsible firearm ownership.
