Description

The first Rem 700 Diamond Trigger was shown at the 2017 NRA Show. Since then TriggerTech has worked with the K&M Shooting Team and several leading R700 Clone action manufacturers to refine the product. The diamond will make you aware of the creep that exists in other triggers. Due to the exceptionally crisp break, most shooters report the pull weights feeling significantly lighter than a friction based trigger of the same measured weight. Five of the critical Diamond components are assembled as matched set to enable a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

Attributes

- Name: [TRIGGERTECH Rem700 Diamond - Left - No bolt release - Pro Curved \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010032
- Mfr. No.: R7L-SRB-02-TNP
- Model: 700
- Style: Adjustable, Curved
- Weapon type: Remington
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768000789

TRIGGERTECH REM700 DIAMOND LEFT NO BOLT RELEASE TRIGGER Safety Instructions

Introduction

Thank you for purchasing the TRIGGERTECH Rem700 Diamond Left No Bolt Release Trigger. This guide provides essential safety instructions to ensure safe and effective use of your trigger. Please read this document carefully and keep it for future reference.

General Safety Guidelines

- Ensure the trigger is installed by a qualified gunsmith or experienced individual.
- Always treat every firearm as if it is loaded, even if you believe it to be unloaded.
- Keep your finger off the trigger until you are ready to shoot.
- Store the trigger and firearm in a secure location, out of reach of children and unauthorized users.
- Regularly inspect the trigger and firearm for signs of wear or damage.
- Follow all local laws and regulations regarding firearm usage and modifications.

Specific Safety Precautions for Use

- **Potential Hazards:** Improper installation may lead to accidental discharge. Misuse or modification of the trigger can compromise safety.
- **Avoiding Hazards:**
 - Always use the trigger with compatible firearm models as specified by the manufacturer.
 - Do not attempt to modify the trigger or its components.
 - Use appropriate ammunition as recommended by the firearm manufacturer.
 - Be aware of your surroundings and ensure a safe shooting environment.
 - Always wear eye and ear protection when using firearms.

Instructions for Installation and Usage

- **Installation:**
 1. Ensure the firearm is unloaded and pointed in a safe direction.
 2. Remove the existing trigger according to the manufacturer's instructions.
 3. Carefully install the TRIGGERTECH Rem700 Diamond Trigger, ensuring all components are secured.
 4. Verify proper function before use by performing a safety check.
- **Usage:**
 - Familiarize yourself with the trigger's operation before live firing.
 - Practice dry firing in a safe environment to understand the trigger's feel and response.
 - Always follow safe shooting practices and guidelines.

Disposal Instructions

- Dispose of the trigger and any associated components in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Contact local waste management authorities for guidance on safe disposal methods.

Contact Information for Further Support

For any inquiries or concerns regarding the TRIGGERTECH Rem700 Diamond Trigger, please reach out to the manufacturer or your point of purchase for assistance.

By following these safety instructions, you can help ensure a safe and enjoyable experience with your

TRIGGERTECH Rem700 Diamond Left No Bolt Release Trigger. Always prioritize safety and responsible firearm handling.
