Description

The Rem 700 Bottom Safety is the ideal upgrade to improve accuracy and precision on any Remington 700 style rifle that requires a bottom safety. Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured pull weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots than you ever thought possible.

Attributes

- Name: [TRIGGERTECH Rem700 Primary Bottom Safety - Right - No bolt release - Traditional Curved \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010039

TRIGGERTECH REM700 PRIMARY BOTTOM SAFETY RIGHT NO BOLT RELEASE

Introduction

Thank you for choosing the TRIGGERTECH REM700 Primary Bottom Safety Right No Bolt Release. This product is designed to enhance the performance of your Remington 700 style rifle. To ensure safe and effective use, please read this safety instruction guide carefully.

General Safety Guidelines

- **Product Safety:** Ensure that you use the TRIGGERTECH REM700 Bottom Safety in accordance with the provided guidelines. This product is designed for use with Remington 700 style rifles and is compliant with EU safety regulations.
- **Enhanced Recalls:** In the unlikely event of a product recall, we will provide standardized recall notices and remedies at no cost to you. Stay informed about potential recalls.
- **Online Shopping:** If you purchased this product online, you are entitled to the same safety protections as if you bought it in a physical store. Ensure that the online platform complies with safety requirements.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is stored and used safely away from minors.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided with your product packaging or on the manufacturer's website.
- **Rapid Alerts:** Stay updated on product safety by checking the EU's Safety Gate platform for any alerts regarding unsafe products.

Specific Safety Precautions for Use

- **Read Instructions:** Always read and understand the installation and usage instructions before handling the product.
- **Check Compatibility:** Ensure that the TRIGGERTECH REM700 Bottom Safety is compatible with your specific Remington 700 model.
- **Inspect Before Use:** Before installation, inspect the product for any visible damage or defects. Do not use if damaged.
- **Proper Installation:** Follow the installation instructions carefully to avoid any malfunctions that could lead to unsafe conditions.
- **Use in Safe Environment:** Always handle firearms in a safe environment, free from distractions and potential hazards.
- **Avoid Modifications:** Do not modify the product or attempt to alter its design in any way.
- **Regular Maintenance:** Regularly check the safety mechanism to ensure it functions correctly and safely.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools for installation.
- Ensure your rifle is unloaded and in a safe condition before proceeding.

2. Installation Steps:

- Remove the existing bottom safety from your Remington 700 rifle according to the manufacturer's guidelines.
- Align the TRIGGERTECH REM700 Bottom Safety with the designated safety housing.

- Securely fasten the safety in place, ensuring it is properly seated and functioning.
- Test the safety mechanism to ensure it engages and disengages smoothly.

3. **Usage:**

- Familiarize yourself with the safety mechanism and ensure you understand how to operate it before using your rifle.
- Always keep the safety engaged until you are ready to fire.
- Regularly practice safe firearm handling procedures.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations to minimize environmental impact.
- **Recycling:** If applicable, recycle components made from aluminum and stainless steel as per local recycling guidelines.
- **Hazardous Waste:** If any part of the product is deemed hazardous, consult local waste management services for proper disposal methods.

Contact Information for Further Support

For any further inquiries or support regarding the TRIGGERTECH REM700 Primary Bottom Safety, please refer to the contact information provided in your product packaging or visit the manufacturer's website.

Thank you for prioritizing safety and performance with your TRIGGERTECH product.
