## Description

The Rem 700 Primary is the ideal upgrade to improve accuracy and precision on any Remington 700 model rifle. Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured pull weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

## Attributes

- Name: [TRIGGERTECH Rem700 Primary - Right - Bolt release - Traditional Curved \(Stainless\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010047
- Mfr. No.: R70-SBS-14-TBC
- Model: 700
- Style: Adjustable, Curved
- Weapon type: Remington
- Delivery weight: 0.14kg
- Shipping height: 38mm
- Shipping width: 102mm
- Shipping length: 140mm
- UPC: 885768000000

# Safety Instruction Guide for TRIGGERTECH REM700 PRIMARY RIGHT BOLT RELEASE

## Introduction

Thank you for choosing the TRIGGERTECH REM700 PRIMARY RIGHT BOLT RELEASE. This guide provides essential safety instructions to ensure the safe and effective use of your product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- Ensure that the product is used only for its intended purpose as specified in the product description.
- Always handle the trigger with care, as improper handling may lead to accidental discharge.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the trigger for any signs of wear or damage. If any issues are found, discontinue use immediately.
- Follow all local laws and regulations regarding firearm accessories and usage.
- Use appropriate personal protective equipment (PPE) when handling firearms.

## Specific Safety Precautions for Use

- Do not modify the trigger in any way. Modifications can compromise safety and performance.
- Always ensure that the firearm is pointed in a safe direction when installing or adjusting the trigger.
- Verify that the firearm is unloaded before installation or maintenance.
- Avoid using the trigger in extreme environmental conditions that may affect performance, such as excessive moisture or extreme temperatures.
- If the trigger becomes stuck or does not function correctly, do not attempt to force it. Seek professional assistance.

## Instructions for Installation and Usage

### 1. Preparation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Gather necessary tools for installation, such as screwdrivers and wrenches.

### 2. Installation:

- Remove the existing trigger from the firearm according to the manufacturer's instructions.
- Carefully install the TRIGGERTECH REM700 PRIMARY by following these steps:
  - Align the trigger with the mounting points on the firearm.
  - Secure the trigger using the provided screws, ensuring they are tightened to the manufacturer's specifications.
- Doublecheck that the trigger is firmly attached and functions correctly.

### 3. Usage:

- Familiarize yourself with the trigger's operation before using it in a livefire situation.
- Practice safe firearm handling at all times.
- Regularly check the trigger's performance and functionality after each use.

## **Disposal Instructions**

- Dispose of the product in accordance with local regulations regarding electronic and metal waste.
- Do not dispose of the product in regular household waste.
- Contact your local waste management authority for proper disposal methods.

## **Contact Information for Further Support**

For any safety inquiries or concerns, please refer to the product packaging or visit the manufacturer's website for additional resources.

By following these guidelines, you can ensure a safe and enjoyable experience with your TRIGGERTECH REM700 PRIMARY RIGHT BOLT RELEASE. Thank you for prioritizing safety and responsible usage.
