Description

The Rem 700 Primary is the ideal upgrade to improve accuracy and precision on any Remington 700 model rifle. Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured pull weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

Attributes

- Name: [TRIGGERTECH Rem700 Primary - Right - Bolt release - Traditional Curved \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010049
- Mfr. No.: R70-SBB-14-TBC

TRIGGERTECH REM700 PRIMARY SAFETY INSTRUCTIONS

Introduction

Thank you for choosing the TRIGGERTECH Rem700 Primary Right Bolt Release Trigger. This product is designed to enhance the performance of your Remington 700 model rifle. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- **Product Safety:** This product is designed to meet EU safety regulations. Ensure proper use to avoid risks associated with firearms.
- **Enhanced Recalls:** Stay informed about product recalls. If you receive a recall notice, follow the instructions provided.
- **Online Shopping:** Ensure that you purchase this product from authorized dealers who comply with safety regulations.
- **Special Consumer Focus:** This product is not intended for use by children. Ensure that it is kept out of reach of minors.
- **EU Contact Point:** For safety inquiries, contact the designated EU-based support.
- **Rapid Alerts:** Monitor the EU's Safety Gate platform for updates regarding product safety.

Specific Safety Precautions for Use

- **Read the Manual:** Always read the user manual before installation and use.
- **Correct Installation:** Ensure the trigger is installed correctly to avoid malfunction.
- **Regular Maintenance:** Inspect the trigger regularly for signs of wear or damage.
- **Safe Handling:** Always treat your firearm as if it is loaded. Keep the muzzle pointed in a safe direction.
- **Proper Storage:** Store your firearm and trigger in a secure location when not in use.
- **Use Protective Gear:** Wear appropriate eye and ear protection when using your firearm.
- **Training:** Ensure that you are trained in the safe use of firearms before operating the Remington 700 rifle.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning installation.
- Remove the existing trigger from the Remington 700 rifle.
- Install the TRIGGERTECH Rem700 Primary trigger by following the included installation instructions.
- Verify that the trigger is securely installed and functions properly before use.

2. Usage:

- Ensure you are in a safe environment for firing.
- Check that the safety mechanism is engaged when not firing.
- When ready to shoot, disengage the safety and aim carefully.
- Pull the trigger smoothly and steadily to ensure accuracy.

Disposal Instructions

- **Disposal of Product:** When the product reaches the end of its life, dispose of it in accordance with local regulations. Do not dispose of it in regular household waste.
- **Recycling:** If possible, recycle components made of metal and plastic. Check with local recycling facilities for guidance.

Contact Information for Further Support

For any questions or concerns regarding the TRIGGERTECH Rem700 Primary trigger, please refer to the support information provided by your retailer or manufacturer.

Thank you for following these safety instructions. Your safety and the safety of others depend on your careful use of this product.
