Description

The Rem 700 Special is an upgraded version of the Primary model which further enhances accuracy and precision on any Remington 700 model rifle. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5lbs lighter than a friction based trigger of the same measured weight. Just like the Primary model, this drop-in trigger provides a true zero-creep break, extremely short overtravel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

Attributes

- Name: [TRIGGERTECH Rem700 Special - Left - Bolt release - Traditional Curved \(PVD Black\)](#)
- Manufacturer: [TRIGGERTECH](#)
- Product no.: EU2010062

TRIGGERTECH REM700 SPECIAL LEFT BOLT RELEASE TRIGGER Safety Instructions

Introduction

Thank you for choosing the TRIGGERTECH REM700 SPECIAL LEFT BOLT RELEASE TRIGGER. This product is designed to enhance your shooting experience with improved accuracy and reliability. It is essential to understand and follow safety instructions to ensure safe use and operation of this trigger.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure that the trigger is installed correctly before use.
- Familiarize yourself with the operation of your firearm and its components.
- Use appropriate safety gear, including eye and ear protection, when shooting.
- Store the trigger and firearm securely to prevent unauthorized access, especially by children.
- Regularly inspect the trigger and firearm for any signs of wear or damage.
- Report any unsafe products or accidents to the appropriate authorities.
- Stay updated on recall notices through the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure that you are using the trigger with a compatible Remington 700 model rifle.
- Do not modify the trigger or its components in any way.
- Avoid using the trigger in extreme conditions unless it is specifically rated for such use.
- Be cautious of the trigger pull weight; it may feel lighter than expected.
- Always keep the firearm pointed in a safe direction when handling or adjusting the trigger.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded before beginning the installation process.
- Remove the existing trigger from the Remington 700 rifle according to the manufacturer's instructions.
- Carefully install the TRIGGERTECH REM700 SPECIAL trigger into the firearm, ensuring all components fit securely.
- Check the installation for any loose parts or misalignment before proceeding.

2. Usage:

- Before firing, ensure that the safety mechanism of the firearm is engaged.
- When ready to shoot, disengage the safety and take aim.
- Gently squeeze the trigger to fire. The Frictionless Release Technology™ allows for a smooth trigger pull.
- After firing, reengage the safety mechanism before handling the firearm.

3. Regular Maintenance:

- Regularly clean the trigger and surrounding components to prevent dirt and debris buildup.
- Inspect the trigger for any signs of wear or damage after extensive use.
- If any issues are detected, discontinue use and consult a qualified gunsmith.

Disposal Instructions

- Dispose of the TRIGGERTECH REM700 SPECIAL trigger in accordance with local regulations.
- Do not dispose of the trigger in regular household waste.
- Consider recycling components where possible.

Contact Information for Further Support

For further assistance or inquiries regarding safety, installation, or maintenance, please refer to the contact information provided with your product packaging or visit the manufacturer's official website.

By following these safety instructions, you can ensure a safe and enjoyable experience with your TRIGGERTECH REM700 SPECIAL LEFT BOLT RELEASE TRIGGER. Always prioritize safety and responsible firearm handling.
