

KIMBER FIELD - CURVED - TRIGGERTECH Kimber Field - Curved (PVD Black)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Material Details

1. 6061-T6 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black – PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

Description

Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

TRIGGERTECH Kimber Field Curved Trigger Safety Instruction Guide

Introduction

Thank you for choosing the TRIGGERTECH Kimber Field Curved Trigger. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use and maintain your trigger safely.

General Safety Guidelines

- Always treat every firearm as if it is loaded.
- Ensure the trigger is installed correctly and securely before use.
- Keep the trigger and all firearm components clean and free from obstructions.
- Store the trigger in a safe place, away from children and unauthorized users.
- Be aware of your surroundings and ensure a safe shooting environment.
- Regularly inspect your trigger for any signs of wear or damage.

Specific Safety Precautions for Use

- **Avoid Modifications:** Do not modify the trigger or any of its components. Modifications can lead to malfunctions or unsafe conditions.
- **Check Compatibility:** Ensure that the trigger is compatible with your specific firearm model before installation.
- **Use Appropriate Ammunition:** Always use the correct ammunition type as specified by the firearm manufacturer.
- **Wear Safety Gear:** Use appropriate eye and ear protection when shooting.
- **Follow Local Laws:** Be aware of and comply with all local laws regarding firearm use and ownership.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger according to the firearm manufacturer's instructions.
- Install the TRIGGERTECH Kimber Field Curved Trigger by following the specific installation steps provided in the firearm's manual.
- Doublecheck that the trigger is securely fastened and functions correctly before use.

2. Usage:

- Always assume the firearm is loaded until you have verified it is not.
- Grip the firearm properly and ensure your finger is off the trigger until you are ready to shoot.
- Aim at your intended target and ensure there is a safe backstop.
- When ready, apply consistent pressure to the trigger to achieve a clean break.
- After firing, keep the firearm pointed in a safe direction until you are ready to unload.

Disposal Instructions

- Dispose of the trigger and any associated components responsibly.
- Follow local regulations for the disposal of firearm parts.
- Do not discard in regular household waste; consider recycling options or contacting a local firearms dealer for proper disposal methods.

Contact Information for Further Support

For safety inquiries or further assistance, please refer to the manufacturer's contact information provided with your product packaging.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your TRIGGERTECH Kimber Field Curved Trigger. Always prioritize safety and responsibility in all aspects of firearm handling and usage.
