

Weatherby Mark V Special - Straight Flat (PVD Black)

[Rifle Parts](#) > [Triggers Parts](#) > [Triggers](#)

Material Details

1. 6061-T6 Aluminum (anodized)
2. Key Components: 440C Stainless Steel
3. PVD Black – PVD stands for Physical Vapour Deposition. It is a hard and durable coating that is applied to external stainless components to give them a clean black color.

Description

Featuring TriggerTech's Frictionless Release Technology™, this drop-in trigger provides a true zero-creep break, extremely short over-travel and offers outstanding reliability, even in the harshest environments. Due to the exceptionally crisp break, most shooters report the pull weights feeling ~0.5 lbs lighter than a friction-based trigger of the same measured pull weight. Frictionless Release Technology™, along with hardened 440C stainless steel internal components ensure corrosion resistance and an extended service life. As Frictionless Release Technology™ does not rely on coating, polishing or lubricating the key engagement surfaces, trigger pulls will be more consistent from shot to shot and after thousands of shots more than you ever thought possible.

Safety Instruction Guide for TRIGGERTECH Weatherby Mark V Special Trigger

Introduction

Thank you for choosing the TRIGGERTECH Weatherby Mark V Special Trigger. This product is designed to enhance your shooting experience with advanced technology and exceptional reliability. It is important to read and follow this safety instruction guide to ensure safe and effective use of the trigger.

General Safety Guidelines

- Always treat the trigger as if it is loaded, even when it is not.
- Keep the trigger and all firearms out of reach of children and unauthorized users.
- Ensure that you are in a safe environment when using the trigger, away from people and property that could be harmed.
- Use the trigger only with compatible firearms as specified by the manufacturer.
- Regularly inspect the trigger for any signs of wear or damage before each use.
- Follow all local laws and regulations regarding the use and ownership of firearms and firearm accessories.

Specific Safety Precautions for Use

- Do not modify the trigger in any way. Unauthorized modifications can lead to malfunctions and unsafe conditions.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms equipped with this trigger.
- Be aware of your surroundings and ensure a clear line of sight and backstop before firing.
- If you experience any unusual behavior or malfunction while using the trigger, stop using it immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure the firearm is unloaded and pointed in a safe direction.
- Remove the existing trigger assembly from the firearm according to the manufacturer's instructions.
- Carefully install the TRIGGERTECH Weatherby Mark V Special Trigger by following the provided installation guide.
- Ensure all components are properly seated and secured before proceeding.

2. Usage:

- Familiarize yourself with the trigger's operation before using it in the field.
- Practice dry firing in a safe environment to understand the feel and response of the trigger.
- When ready to fire, maintain a proper grip on the firearm and ensure your finger is off the trigger until you are ready to shoot.
- After firing, always check for any issues with the trigger's operation before subsequent shots.

Disposal Instructions

- Dispose of any packaging materials in accordance with local regulations.
- If the trigger is no longer functional or needed, dispose of it responsibly. Check with local waste management services for proper disposal methods for metal components.

Contact Information for Further Support

For any safety inquiries or support regarding the TRIGGERTECH Weatherby Mark V Special Trigger, please refer to the manufacturer's website or contact their customer service directly.

Conclusion

By following these safety instructions, you will ensure a safe and enjoyable experience with your TRIGGERTECH Weatherby Mark V Special Trigger. Always prioritize safety and responsible use when handling firearms and their accessories. Thank you for your attention to these important guidelines.
