

# LONG RANGE ARMS SEND-IT MV3

[Optics & Mounting](#) > [Optic Accessories](#) > [Scope Anti-Cant Devices](#)

An Enhanced Leveling Tool for Your Long-Range Rig Getting on target with a long-range rifle isn't just as easy as dialing in your windage and elevation and pulling the trigger. If your gun or optic is even slightly canted, then that little dip one way or the other means big problems downrange. Get your gun leveled with the enhanced Send iT MV3 from Long Range Arms. New and improved, this Send iT MV3 uses all the same electronic components and functions found in previous models, but the company made it a whole lot easier for you to mount your Send iT exactly where you need it. The modular mounting system can now be configured for left-handed rifles, thanks to the five-hole square boss to be attached to a range of mounts, rings, bases and even rifle chassis. The four outer holes on this Send iT MV3 are #4-40 tapped for use on the included Picatinny mount, while the center hole is tapped #8-32, which allows you to mount the unit onto an LRA 90-degree bracket. You'll also get a battery-check, sleep-mode and tool-free battery compartment with your Send iT, and you can install this level on both Picatinny and Weaver mounting rails

# LONG RANGE ARMS SENDIT MV3 Safety Instruction Guide

## Introduction

Thank you for choosing the LONG RANGE ARMS SENDIT MV3, an enhanced leveling tool designed for precise longrange shooting. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your product. Please read this manual carefully before using the SENDIT MV3.

## General Safety Guidelines

- Ensure that the SENDIT MV3 is used only for its intended purpose as a leveling tool for longrange rifles.
- Always handle firearms with care and follow all safety protocols related to firearm use.
- Keep the SENDIT MV3 out of reach of children and unauthorized users.
- Regularly inspect the SENDIT MV3 for any signs of damage or malfunction before each use.
- If you experience any issues or concerns regarding the SENDIT MV3, discontinue use immediately and seek assistance.

## Specific Safety Precautions for Use

- **Mounting Safety:** Ensure that the SENDIT MV3 is securely mounted to your rifle using the appropriate mounting system. Failure to do so may result in misalignment and unsafe shooting conditions.
- **Battery Safety:** Use only the recommended battery type for the SENDIT MV3. Avoid exposure to water or extreme temperatures, which may affect battery performance.
- **Leveling Accuracy:** Always verify the level of your rifle before taking a shot. A misaligned rifle can lead to dangerous situations and inaccurate shooting.
- **Environmental Awareness:** Be mindful of your surroundings when using the SENDIT MV3 and your rifle. Ensure you are in a safe and designated shooting area.

## Instructions for Installation and Usage

### 1. Installation:

- Identify the appropriate mounting location on your rifle.
- Use the fivehole square boss to attach the SENDIT MV3 to your chosen mount, ring, or base as per your configuration (lefthanded or righthanded).
- Securely fasten the SENDIT MV3 using the provided screws (outer holes #440 and center hole #832).

### 2. Battery Installation:

- Open the toolfree battery compartment and insert the recommended battery.
- Ensure that the battery is installed correctly, following the polarity indicators.

### 3. Using the SENDIT MV3:

- Power on the SENDIT MV3 and ensure the display is functioning.
- Level your rifle by adjusting the position until the SENDIT MV3 indicates that it is level.
- Utilize the batterycheck feature to monitor battery status before use.

### 4. PostUse:

- After shooting, inspect the SENDIT MV3 for any signs of damage.

- Store the SENDIT MV3 in a safe, dry place away from moisture and extreme temperatures.

## **Disposal Instructions**

- When disposing of the SENDIT MV3 or its components, follow local regulations regarding electronic waste disposal.
- Remove the battery before disposal and recycle it according to local guidelines.

## **Contact Information for Further Support**

For any questions, concerns, or safety inquiries regarding the LONG RANGE ARMS SENDIT MV3, please reach out to the appropriate support channels available in your region.

By adhering to these safety guidelines and instructions, you can ensure a safe and enjoyable experience with your LONG RANGE ARMS SENDIT MV3. Thank you for prioritizing safety while enjoying your longrange shooting activities.
