Safety Instruction Guide

Introduction

Thank you for choosing the ULFHEDNAR Double Bow Bag. This guide provides essential safety instructions to ensure the safe use and maintenance of your product. It is designed in compliance with the EU General Product Safety Regulation (GPSR) to help you enjoy your bow bag safely and responsibly.

General Safety Guidelines

- Always inspect the bag for any damage before use. Do not use if any part is damaged.
- Keep the bag out of reach of children to prevent accidental injury or suffocation.
- Use the bag only for its intended purpose, which is to transport and store bows and related equipment.
- Avoid exposing the bag to extreme temperatures or direct sunlight for prolonged periods to prevent material degradation.
- Regularly check the backpack straps for wear and tear to ensure they are secure and functional.

Specific Safety Precautions for Use

- Ensure that all zippers and closures are functioning properly before use.
- When carrying the bag, distribute weight evenly to avoid strain or injury.
- Do not overload the bag beyond its capacity, as this may cause damage or compromise safety.
- If using the backpack straps, adjust them to fit snugly and comfortably to prevent slipping.
- Always secure your bows and equipment within the bag to prevent shifting during transport.

Instructions for Installation and Usage

1. Unpacking the Bag

- Carefully remove the bag from its packaging.
- Inspect the bag for any visible defects or damages.

2. Adjusting the Backpack Straps

- Locate the adjustable straps on the back of the bag.
- Pull the straps to the desired length for a comfortable fit.
- Ensure that the straps are securely fastened and do not slip.

3. Loading the Bag

- Open the main compartment and place your bow inside, ensuring it is positioned securely.
- Add any additional equipment, making sure not to exceed the bag's weight limit.
- Close all zippers and fasten any additional straps to secure the contents.

4. Carrying the Bag

- Use the handle for short distances or the backpack straps for longer distances.
- When using the backpack straps, wear the bag on your back with both straps secured.

5. Cleaning and Maintenance

- Clean the bag with a damp cloth and mild soap. Avoid using harsh chemicals.

- Allow the bag to air dry completely before storing.

Disposal Instructions

- When the bag reaches the end of its life, dispose of it responsibly.
- Check local regulations for proper disposal methods for fabric and plastic materials.
- If possible, recycle the bag or donate it to a local organization if it is still in usable condition.
