

# Chassis - XRS - CZ 455 - RF - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The rifle (system) and scope shown in the picture are not for sale and are not included. Only the chassis is included in the delivery.

The XRS Chassis is designed for shooters that want the fit and feel of a traditional shaped rifle stock with the benefits of a modern precision rifle chassis system. Each XRS Chassis is constructed from a full-length CNC machined core of 6061 aircraft grade aluminum wearing high strength textured polymer panels for insulation from the elements. The precision aluminum V-block bedding system ensures fit and function to maximize the accuracy of any rifle action. The XRS Chassis features a replaceable over molded and textured grip system, with both an angled grip and a vertical grip included in box.

The XRS Chassis is the most advanced and configurable crossover stock on the market and is the ideal performance upgrade for any factory rifle or foundation for a custom rifle build. Weighing in at 3.9lbs (depending on inlet), the XRS is ideal for both hunting or target rifles. The XRS features adjustable length of pull via spacers from 13.25" to 15+" and a quick adjust cheek piece to adjust for scope height over bore. The XRS accepts standard AICS pattern magazines and has an easy to manipulate ambidextrous magazine latch. The generous 12" long Forend comes with M-LOK slots built in for accessory mounting and attachment of ARCA or picatinny rails.

# Safety Instruction Guide for MDT Chassis XRS

## Introduction

Thank you for choosing the MDT Chassis XRS for your shooting needs. This guide provides essential safety instructions and guidelines to ensure your safe and effective use of this product. Please read this document carefully before using the MDT Chassis XRS.

## General Safety Guidelines

- Ensure that the MDT Chassis XRS is used only for its intended purpose.
- Always follow local laws and regulations regarding firearms and accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the chassis for any signs of wear or damage.
- Use only compatible accessories and components with the MDT Chassis XRS.
- Report any unsafe conditions or accidents to the appropriate authorities.

## Specific Safety Precautions for Use

- When handling firearms, always treat them as if they are loaded.
- Ensure that the firearm is unloaded before attaching or detaching the chassis.
- Always wear appropriate eye and ear protection when shooting.
- Be aware of your surroundings and ensure a safe shooting environment.
- Do not modify the chassis in any way that could affect its performance or safety.
- Follow all manufacturer's instructions regarding the use and maintenance of the chassis.

## Instructions for Installation and Usage

### 1. Installation of the MDT Chassis XRS:

- Ensure the firearm is unloaded.
- Remove the existing stock from the firearm according to the manufacturer's instructions.
- Align the action of the firearm with the bedding system of the MDT Chassis.
- Secure the action in place using the provided hardware, ensuring a snug fit.
- Attach the forend to the chassis, ensuring it is properly aligned and secured.

### 2. Usage of the MDT Chassis XRS:

- Adjust the length of pull using the spacers provided, ensuring it fits comfortably against your shoulder.
- Adjust the cheek piece for optimal alignment with your scope.
- Load the magazine according to the manufacturer's guidelines and insert it into the chassis.
- Always maintain a proper shooting stance and grip on the chassis when aiming and firing.

### 3. Maintenance:

- Regularly clean the chassis with a soft cloth to remove dirt and debris.
- Inspect the polymer panels and aluminum components for any signs of damage.
- Store the chassis in a cool, dry place when not in use.

## Disposal Instructions

- Dispose of the MDT Chassis XRS in accordance with local regulations.
- Do not dispose of the chassis in regular household waste.

- Consider recycling materials where possible, especially aluminum components.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Chassis XRS, please refer to the manufacturer's website or customer support resources.
