

# Rails - Savage Axis - MDT - Rails - 30 MOA - Savage Axis SA

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's Scope Base Picatinny Rails are a precise and reliable solution when it comes to mounting a scope on your bolt action rifle.

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 30 MOA incline providing additional elevation adjustment from your scope\*. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature.

# Safety Instruction Guide for MDT Rails Savage Axis

## Introduction

Thank you for choosing the MDT Scope Base Picatinny Rails for your Savage Axis rifle. This guide provides essential safety instructions and information to ensure the safe and effective use of this product. Please read this guide carefully before installation and use.

## General Safety Guidelines

- **Product Safety:** Ensure that you use the MDT Scope Base Picatinny Rails according to the instructions provided. This product is designed for safe use with boltaction rifles.
- **Enhanced Recalls:** Stay informed about any recall notices related to this product. If you receive any communication regarding a recall, please follow the instructions provided.
- **Online Shopping:** If you purchased this product online, ensure that the seller complies with EU safety requirements.
- **Special Consumer Focus:** Keep this product out of reach of children. It is not intended for use by individuals under the age of 18 without adult supervision.
- **EU Contact Point:** For any safety inquiries, please refer to the contact information provided by the seller or manufacturer.
- **Rapid Alerts:** Monitor the EU Safety Gate platform for updates on product safety and recalls.

## Specific Safety Precautions for Use

- Always inspect the MDT Scope Base Picatinny Rails for any signs of damage before installation. Do not use if damaged.
- Ensure that the rails are compatible with your specific model of Savage Axis rifle.
- Use only the recommended tools for installation to avoid damaging the product or your rifle.
- Do not exceed the weight limit of the mounted scope. Check the manufacturer's guidelines for weight specifications.
- Avoid using the product in extreme environmental conditions that may affect its performance.
- Always follow the manufacturer's recommendations for the scope you are using in conjunction with the rails.

## Instructions for Installation and Usage

### 1. Preparation:

- Gather necessary tools: a torque wrench, appropriate screwdrivers, and any other tools recommended by the scope manufacturer.
- Ensure your rifle is unloaded and pointed in a safe direction during installation.

### 2. Installation Steps:

- Remove any existing scope mounts or bases from your Savage Axis rifle.
- Clean the receiver area to ensure a proper fit for the new rails.
- Align the MDT Scope Base Picatinny Rails with the mounting holes on the rifle receiver.
- Insert screws into the mounting holes and handtighten them to secure the rails.
- Use a torque wrench to tighten the screws to the manufacturer's specified torque settings. Avoid overtightening, which can damage the rails or the rifle.

### 3. Scope Mounting:

- Once the rails are securely installed, mount your scope according to the manufacturer's instructions.
- Ensure that the scope is level and properly aligned with the rails.

#### **4. PostInstallation Check:**

- After installation, doublecheck that all screws are tight and the scope is securely mounted.
- Perform a function check by cycling the action of the rifle to ensure no interference with the ejection port.

## **Disposal Instructions**

- Dispose of packaging materials in accordance with local regulations.
- If the product becomes damaged beyond repair, dispose of it in an environmentally friendly manner. Check local guidelines for recycling metal components.

## **Contact Information for Further Support**

For any questions or concerns regarding the MDT Scope Base Picatinny Rails, please refer to the contact information provided by the seller or manufacturer. Always ensure you have the latest safety information and updates related to this product.

Thank you for prioritizing safety while using the MDT Scope Base Picatinny Rails. Enjoy your shooting experience responsibly!
