

Rails - Picatinny Scope Base - 30 MOA - CZ 452-Black - BLK

[Rifle Parts](#) > [Forend & Handguard Parts](#) > [Handguard & Rail Accessories](#) > [Accessory Rails](#)

MDT's Scope Base Picatinny Rails are a precise and reliable solution when it comes to mounting a scope on your bolt action rifle.

MDT's Scope Base Picatinny Rails are designed to make the mounting of your optics easier. They are machined from 6061-T6 aluminum, then hard-anodized black for a durable finish. The underside of the rails are profiled to allow the rail to be mounted flush on the receiver and to match the geometry of the ejection port. These rails are designed with a 30 MOA incline providing additional elevation adjustment from your scope*. A recoil lug has been integrated in the underside rail profile on models where the action's design allows for this feature.

MDT Rails Picatinny Scope Base Safety Instructions

Introduction

Thank you for choosing the MDT Rails Picatinny Scope Base. This product is designed to provide a secure and reliable mounting solution for your scope on a bolt action rifle. To ensure safe use and optimal performance, please read and follow these safety instructions carefully.

General Safety Guidelines

- Ensure that the product is suitable for your specific rifle model before installation.
- Always handle firearms and accessories with care and follow standard safety practices.
- Use the product only for its intended purpose as specified in this guide.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the scope base for any signs of wear or damage before each use.
- Report any concerns about product safety to the appropriate authorities.

Specific Safety Precautions for Use

- **Installation Safety:** Ensure the rifle is unloaded and pointed in a safe direction during installation.
- **Mounting Stability:** Confirm that the scope base is securely attached to the receiver to prevent any movement during use.
- **Recoil Management:** Be aware that the integrated recoil lug is designed for specific models. Ensure it is compatible with your rifle's action to avoid damage.
- **Optics Adjustment:** Be cautious when adjusting the scope after installation. Make sure the scope is securely mounted to avoid misalignment.
- **Environmental Considerations:** Avoid exposing the product to extreme temperatures or corrosive environments to maintain its integrity.

Instructions for Installation and Usage

1. Preparation:

- Gather all necessary tools, including a torque wrench and appropriate screws.
- Ensure the rifle is unloaded and in a stable position.

2. Installation Steps:

- Align the MDT Picatinny Scope Base with the receiver of your CZ 452 rifle.
- Ensure the underside of the rail is flush against the receiver and matches the geometry of the ejection port.
- Secure the rail using the provided screws. Use a torque wrench to tighten the screws to the manufacturer's recommended specifications.
- Doublecheck that the scope base is firmly attached and does not move.

3. Scope Mounting:

- Attach your scope to the Picatinny rail according to the scope manufacturer's instructions.
- Ensure that the scope is correctly aligned and securely fastened.

4. PostInstallation Check:

- Perform a visual inspection to confirm that all components are secure.
- Test the stability of the scope base by gently applying pressure to the scope.

5. Usage:

- Follow best practices for safe firearm handling while using your rifle.
- Regularly check the scope base and mounting screws for tightness during use.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- If the product is no longer usable, recycle components where possible to minimize environmental impact.

Contact Information for Further Support

For additional information or support regarding the MDT Rails Picatinny Scope Base, please refer to the manufacturer's website or contact your local distributor. Always ensure you have the latest product information and safety updates.

By adhering to these safety guidelines and instructions, you can ensure the safe and effective use of your MDT Rails Picatinny Scope Base. Thank you for your attention to safety and for choosing our product.
