

Chassis - XRS - Remington700 - LA - RH - FDE

[Rifle Parts](#) > [Stock Parts](#) > [Rifle Stocks](#)

The XRS Chassis is designed for shooters that want the fit and feel of a traditional shaped rifle stock with the benefits of a modern precision rifle chassis system. Each XRS Chassis is constructed from a full-length CNC machined core of 6061 aircraft grade aluminum wearing high strength textured polymer panels for insulation from the elements. The precision aluminum V-block bedding system ensures fit and function to maximize the accuracy of any rifle action. The XRS Chassis features a replaceable over molded and textured grip system, with both an angled grip and a vertical grip included in box.

MDT Chassis XRS Remington700 LA Safety Instructions

Introduction

Thank you for choosing the MDT Chassis XRS for your Remington 700. This product is designed to enhance your shooting experience while ensuring safety and reliability. Please read this safety instruction guide carefully to understand how to use, install, and dispose of the product safely.

General Safety Guidelines

- Always ensure that the firearm is unloaded before installing or handling the chassis.
- Keep the chassis and all firearms out of reach of children and unauthorized users.
- Always wear appropriate safety gear, including eye and ear protection, when using firearms.
- Inspect the chassis and firearm for any signs of damage or wear before use.
- Follow all local laws and regulations regarding firearm ownership and use.
- Be aware of your surroundings and ensure a safe shooting environment.
- Report any unsafe products or accidents to the appropriate authorities.

Specific Safety Precautions for Use

- Ensure that the chassis is compatible with your specific Remington 700 model before installation.
- Check the fit and function of the chassis after installation to ensure it is secure.
- Avoid using the chassis in extreme weather conditions that may affect its performance.
- Do not modify the chassis or firearm in any way that could compromise safety.
- If you experience any malfunctions or issues while using the chassis, cease use immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

Installation Instructions

1. **Preparation:** Ensure your Remington 700 is unloaded and safe. Gather necessary tools, including a screwdriver and any additional components.
2. **Remove the Original Stock:**
 - Loosen and remove the screws securing the stock to the action.
 - Carefully detach the stock from the action.
3. **Install the XRS Chassis:**
 - Align the action of your Remington 700 with the bedding system of the XRS chassis.
 - Secure the action to the chassis using the provided screws, ensuring a snug fit.
4. **Attach the Grip:**
 - Choose between the angled grip and the vertical grip included in the box.
 - Follow the instructions provided to attach the selected grip securely.
5. **Final Check:**
 - Inspect all connections to ensure they are tight and secure.
 - Conduct a fit test to ensure proper alignment and function.

Usage Instructions

- Once the chassis is installed, familiarize yourself with its features and adjustments.
- Practice safe firearm handling at all times.
- Regularly check the chassis for any signs of wear or damage, especially after extensive use.
- Clean the chassis according to the manufacturer's recommendations to maintain performance.

Disposal Instructions

- Dispose of the chassis in accordance with local regulations for electronic and metal waste.
- If the chassis is damaged beyond repair, contact your local waste management authority for guidance on safe disposal methods.
- Do not dispose of the chassis in regular household waste.

Contact Information for Further Support

For any questions or concerns regarding the MDT Chassis XRS, please consult the manufacturer's website or contact their customer service department for assistance. Always ensure you have the latest safety updates and product information.

Thank you for prioritizing safety while using the MDT Chassis XRS. Enjoy your shooting experience!
