

Magazine - Metal - SA - .300 WSM/6.5 PRC - 3 Round - BLK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

These magazines are designed with a unique Double Stack to Single Feed (DSSF) transition design for reduced overall height compared to the industry standard. MDT AICS-pattern metal magazines are manufactured from high strength steel, nitrided, and finished inside and outside with Cerakote Elite for ultimate durability, corrosion resistance, and friction reduction. 6.5 PRC 270 WSM 7 RSAUM 300 WSM The magazines without front binder plates allow a maximum cartridge overall length of 2.960". These are compatible with all AICS-pattern bottom metal and chassis systems, but most common actions such as Remington 700 and Savage 10/11 will require modifications to the receiver (i.e. notching out the bottom of the feed ramp) to prevent the bullet tips from catching on the bottom of the feed ramp (see photo below).

MDT Magazine Safety Instruction Guide

Introduction

Thank you for choosing the MDT Magazine Metal for your firearm. This guide provides essential safety instructions and guidelines to ensure the safe and effective use of your magazine. Please read this manual carefully before using the product.

General Safety Guidelines

- Always treat all firearms and ammunition as if they are loaded.
- Keep the magazine out of reach of children and unauthorized users.
- Inspect the magazine for any signs of damage before use.
- Do not use the magazine if it is damaged or malfunctioning.
- Always follow the manufacturer's instructions for your firearm when using the magazine.
- Report any unsafe products or incidents to the relevant authorities.

Specific Safety Precautions for Use

- Ensure that the magazine is compatible with your firearm's AICS pattern bottom metal and chassis systems.
- Modify the receiver as necessary to prevent bullet tips from catching on the bottom of the feed ramp.
- Use only the recommended cartridge types: .300 WSM, 6.5 PRC, 270 WSM, and 7 RSAUM.
- Do not exceed the maximum cartridge overall length of 2.960 inches.
- Avoid exposing the magazine to extreme temperatures and harsh chemicals.
- Always store the magazine in a cool, dry place when not in use.

Instructions for Installation and Usage

1. Installation:

- Ensure your firearm is unloaded and pointed in a safe direction.
- Remove any existing magazine from the firearm.
- Align the MDT Magazine with the magazine well of your firearm.
- Push the magazine firmly into place until you hear a click, indicating it is securely locked.

2. Usage:

- Load the magazine with the appropriate cartridges, ensuring they are seated properly.
- Insert the loaded magazine into your firearm.
- Always verify that the magazine is correctly seated before firing.
- After use, remove the magazine from the firearm and unload any remaining cartridges.

Disposal Instructions

- Dispose of the magazine in accordance with local regulations.
- If the magazine is damaged, do not attempt to repair it; instead, follow local disposal guidelines for metal products.
- Ensure that the magazine is emptied and cleaned before disposal.

Contact Information for Further Support

For any safety inquiries or support, please reach out to your local distributor or the manufacturer. Ensure that

you have your product details available for reference.

By following these guidelines, you can help ensure your safety and the safe operation of your MDT Magazine. Always prioritize safety and responsibility when handling firearms and ammunition.
