

Magazine - Metal - 6mm ARC - SA - 10 Round - BLK

[Magazines](#) > [Rifle Magazines](#) > [Magazines](#)

These magazines are designed with a unique Double Stack to Single Feed (DSSF) transition design for reduced overall height compared to the industry standard. MDT AICS-pattern metal magazines are manufactured from high strength steel, nitrided, and finished inside and outside with Cerakote Elite for ultimate durability, corrosion resistance, and friction reduction. 10-Round: 3.055" Outside Length 2.400" max cartridge overall length (COAL) 3.90" Rear Height MDT 10-round magazines are approximately 3/4" shorter in height than standard AICS 10-round magazines due to MDT's unique Double Stack to Single Feed (DSSF) transition design, allowing easier mag changes when shooting prone.

MDT Magazine Safety Instruction Guide

Introduction

Thank you for choosing the MDT Magazine Metal for your firearm. This guide provides essential safety instructions to ensure the safe use and handling of your magazine. Please read this guide carefully before using the product.

General Safety Guidelines

- Ensure that the magazine is compatible with your firearm model before use.
- Always handle the magazine with care and keep it out of reach of children.
- Regularly inspect the magazine for any signs of damage or wear before use.
- Store the magazine in a cool, dry place away from direct sunlight and moisture.
- Follow all local laws and regulations regarding the use and storage of firearm magazines.

Specific Safety Precautions for Use

- Do not attempt to modify or alter the magazine in any way, as this may compromise safety and functionality.
- Always ensure the firearm is unloaded before inserting or removing the magazine.
- Avoid excessive force when loading or unloading cartridges into the magazine.
- Be aware of your surroundings and ensure that the area is safe before using the magazine with your firearm.
- If you notice any malfunctions during use, cease operation immediately and consult a qualified gunsmith.

Instructions for Installation and Usage

1. Installation:

- Ensure that the firearm is pointed in a safe direction and is unloaded.
- Align the magazine with the magazine well of the firearm.
- Push the magazine firmly into the magazine well until it clicks into place.

2. Usage:

- Load the magazine with cartridges by pushing them down into the magazine body, ensuring they are seated correctly.
- To remove the magazine, press the magazine release button on the firearm and pull the magazine out.
- Always keep the firearm pointed in a safe direction when loading or unloading the magazine.

3. Maintenance:

- Clean the magazine regularly to ensure optimal performance.
- Use a soft cloth to wipe the exterior of the magazine.
- Inspect the feeding mechanism and spring for any debris or damage.

Disposal Instructions

- When disposing of the magazine, follow local regulations for hazardous materials.
- If the magazine is damaged beyond repair, it should be disposed of in a manner that prevents unauthorized use.
- Consider recycling the metal components where possible, in compliance with local recycling guidelines.

Contact Information for Further Support

For any safety inquiries or concerns regarding the MDT Magazine, please reach out to your local dealer or manufacturer representative. Ensure that you have the product details on hand for a more efficient response.

Conclusion

Your safety is our priority. By following these guidelines and precautions, you can ensure a safe and enjoyable experience with your MDT Magazine. Always stay informed about safety practices and local regulations regarding firearm usage. Thank you for your attention to these important safety instructions.
