MDT Accessories Length of Pull Spacer Weight Steel BLK Safety Instructions

Introduction

Thank you for choosing the MDT Length of Pull Spacer Weight. This product is designed to enhance your shooting experience by allowing you to adjust the weight of your buttstock. To ensure safe and effective use, please read and follow these safety instructions carefully.

General Safety Guidelines

- Always handle your firearm and accessories responsibly and with care.
- Ensure that the product is used only for its intended purpose.
- Store the product in a safe location, out of reach of children and unauthorized persons.
- Regularly inspect the product for any signs of wear or damage before each use.
- Report any unsafe products or accidents to the relevant authorities.
- Stay informed about recall updates on the EU's Safety Gate platform.

Specific Safety Precautions for Use

- Ensure the Length of Pull Spacer Weight is compatible with your MDT buttstock before installation.
- Use the product only with the specified MDT chassis systems: XRS Chassis System, SCSLite, and CCS.
- Avoid using excessive force during installation to prevent damage to the spacer or buttstock.
- Do not modify or alter the spacer in any way, as this may compromise its safety and effectiveness.
- If you experience any issues during installation or usage, discontinue use immediately and seek assistance.

Instructions for Installation and Usage

1. Preparation

- Ensure you have all necessary tools for installation, including a screwdriver if required.
- Make sure your workspace is clean and free from clutter.

2. Installation Steps

- Remove the existing buttstock spacer from your MDT buttstock.
- Align the Length of Pull Spacer Weight with the mounting points on the buttstock.
- Securely attach the spacer using the provided screws or fasteners, ensuring it is tightly fitted.
- Doublecheck that the spacer is properly installed and does not move when pressure is applied.

3. Usage

- Once installed, test the stability of the buttstock with the spacer in place.
- Adjust your shooting position as necessary to accommodate the additional weight.
- Always ensure that your firearm is pointed in a safe direction when making adjustments.

Disposal Instructions

- Dispose of the product in accordance with local regulations.
- Do not dispose of the product in household waste.
- Consider recycling options for metal components where applicable.

Contact Information for Further Support

For any questions or concerns regarding the MDT Length of Pull Spacer Weight, please reach out to your local MDT distributor or visit the official MDT website for support resources.

By following these safety instructions, you can ensure a safe and enjoyable experience with your MDT Length of Pull Spacer Weight. Thank you for prioritizing safety.
