

# MEPRO M21 DAY/NIGHT SELF ILLUMINATED SIGHT (MIL SPEC) - MEPRO M21 TRIANGLE RETICLE WITH PICATINNY ADAPTER

[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Self-illuminated and battle-proven reflex sight. Originally developed for the Israel Defense Force (IDF), the Mepro M21 Red Dot Day/Night Self-Illuminated Reflex Sight represents the best of Meprolight® tritium technology and remains on active duty for the IDF and militaries and law enforcement worldwide. A red dot sight with fiber-optic illumination by day, Meprolight® tritium by night, it takes charge of any battlefield with no need for batteries, ever. Its rugged, battle-proven construction meets or exceeds rigorous MIL-STD-810 standards to thrive in the harshest conditions, with five available reticles and a big 30-millimeter lens for maximum situational awareness. Dual illuminated 1X "Red-Dot" reflex sight. The MEPRO M21 provides instant, all-light aiming without batteries. Maintenance FREE! No batteries, No switches always on. Always ready. compatible with carrying handle mount. Tritium and fiber-optic powered that uses ambient light when available during daylight and unique Tritium light source system that ensures bright reticle in low and night light. The transition between the two systems is instantaneous and automatic, ensuring good contrast between the aiming dot and the target area. Tritium luminance is warranted for ten years. Large 30mm diameter lens with five different amber color reticles. MOA or 5.5 MOA dot, Triangle, 4.3 Bullseye, and X. Large field of view for rapid target acquisition. Increases accuracy and speed when firing under pressure. Rugged. Reliable in extreme weather conditions, Used by the Israel Defense Forces, militaries, and law enforcement agencies worldwide. The MEPRO M21 is suitable for Night Vision Goggles or scopes, including those with GEN III tubes and magnifying scopes, such as the Mepro MX3F/T. Easy positioning of Magnifier close to the sight's optics with no decrease in the field-of-view and without compromising convenient switch operation

# MEPRO M21 DAY/NIGHT SELF ILLUMINATED SIGHT SAFETY INSTRUCTIONS

## Introduction

Thank you for choosing the MEPRO M21 Day/Night Self Illuminated Sight. This guide provides essential safety instructions and information for the proper use and maintenance of your sight. Please read this document carefully to ensure safe and effective operation.

## General Safety Guidelines

- Ensure safe use by following all instructions provided in this manual.
- Be aware that this product is designed for military and law enforcement applications, which may involve exposure to extreme conditions.
- Always handle the sight responsibly and store it securely when not in use.
- Keep the sight out of reach of children and unauthorized users.
- Familiarize yourself with the product features and limitations before use.
- Report any unsafe conditions or product malfunctions to the appropriate authorities.

## Specific Safety Precautions for Use

- Do not attempt to disassemble or modify the sight, as this may result in damage or unsafe operation.
- Avoid exposing the sight to extreme temperatures, moisture, or direct sunlight for prolonged periods.
- Ensure that the sight is securely mounted to your firearm before use.
- Check the sight for any visible damage before each use. Do not use if damaged.
- Use only compatible accessories and mounts to avoid compromising the sight's performance.
- Regularly inspect the sight's optics and reticle for clarity and functionality.
- Be cautious when using the sight in lowlight conditions to ensure proper target acquisition.

## Instructions for Installation and Usage

### 1. Installation

- Ensure your firearm is unloaded before installation.
- Attach the sight to the Picatinny rail using the provided adapter.
- Tighten the mounting screws securely to prevent movement during use.
- Confirm proper alignment with the firearm's barrel.

### 2. Usage

- Activate the sight by ensuring it is properly mounted and powered by ambient light or Tritium.
- Adjust the brightness settings, if applicable, for optimal visibility.
- Practice aiming with the sight in a safe environment to become familiar with its operation.
- Always aim the sight at a safe target and follow all firearm safety rules.

## Disposal Instructions

- Dispose of the sight in accordance with local regulations regarding electronic and optical equipment.
- Do not dispose of the sight in regular household waste.
- Consider recycling options for the materials used in the sight.

## **Contact Information for Further Support**

For any safety inquiries or support regarding the MEPRO M21 Day/Night Self Illuminated Sight, please refer to the manufacturer's contact information provided with the product packaging or on the official website.

By following these safety instructions, you can ensure a safe and effective experience with your MEPRO M21 Day/Night Self Illuminated Sight. Always prioritize safety and responsible usage to maximize your product's performance.
