[Handgun Parts](#) > [Sights](#) > [Sight Sets](#)

Self-illuminated and battle-proven reflex sight. Originally developed for the Israel Defense Force (IDF), the Mepro M21 Red Dot Day/Night Self-Illuminated Reflex Sight represents the best of Meprolight® tritium technology and remains on active duty for the IDF and militaries and law enforcement worldwide. A red dot sight with fiber-optic illumination by day, Meprolight® tritium by night, it takes charge of any battlefield with no need for batteries, ever. Its rugged, battle-proven construction meets or exceeds rigorous MIL-STD-810 standards to thrive in the harshest conditions, with five available reticles and a big 30-millimeter lens for maximum situational awareness. Dual illuminated 1X "Red-Dot" reflex sight. The MEPRO M21 provides instant, all-light aiming without batteries. Maintenance FREE! No batteries, No switches always on. Always ready. compatible with carrying handle mount. Tritium and fiber-optic powered that uses ambient light when available during daylight and unique Tritium light source system that ensures bright reticle in low and night light. The transition between the two systems is instantaneous and automatic, ensuring good contrast between the aiming dot and the target area. Tritium luminance is warrantied for ten years. Large 30mm diameter lens with five different amber color reticles. MOA or 5.5 MOA dot, Triangle, 4.3 Bullseye, and X. Large field of view for rapid target acquisition. Increases accuracy and speed when firing under pressure. Rugged. Reliable in extreme weather conditions, Used by the Israel Defense Forces, militaries, and law enforcement agencies worldwide. The MEPRO M21 is suitable for Night Vision Goggles or scopes, including those with GEN III tubes and magnifying scopes, such as the Mepro MX3F/T. Easy positioning of Magnifier close to the sight's optics with no decrease in the field-of-view and without compromising convenient switch operation

MEPRO M21 Accessories Safety Instruction Guide

Introduction

Thank you for choosing the MEPRO M21 Carry Handle Adapter. This selfilluminated reflex sight has been designed for safe and effective use in various environments. This guide provides important safety information and instructions to ensure your MEPRO M21 operates safely and effectively.

General Safety Guidelines

- Ensure the product is used only for its intended purpose as outlined in this guide.
- Always follow local laws and regulations regarding the use of sights and accessories.
- Keep the product out of reach of children and unauthorized users.
- Regularly inspect the product for any signs of damage or wear before use.
- If the product is damaged, do not use it and contact a qualified professional for assessment.

Specific Safety Precautions for Use

- Do not point the sight at any person or animal, even when not in use.
- Avoid using the sight in adverse weather conditions that may impair visibility.
- Ensure that the sight is securely mounted before use to prevent accidents.
- Be aware of your surroundings and ensure a safe shooting environment.
- Always wear appropriate eye protection when using the sight.

Instructions for Installation and Usage

Installation

1. Mounting the Sight:

- Ensure the firearm is unloaded before installation.
- Align the MEPRO M21 onto the carrying handle mount of your firearm.
- Securely fasten the sight according to the manufacturer's instructions, ensuring it is stable and will not shift during use.

2. Adjusting the Reticle:

- Familiarize yourself with the reticle options available (MOA dot, Triangle, Bullseye, etc.).
- Adjust the reticle brightness as needed for optimal visibility during day and night conditions.

Usage

• Aiming:

- Use the red dot for quick target acquisition, ensuring you have a clear line of sight.
- The dual illumination system allows for aiming in various light conditions without the need for batteries.

• Maintenance:

- The MEPRO M21 is maintenancefree; however, regular checks for cleanliness and secure mounting are recommended.
- Clean the lens with a soft, nonabrasive cloth to avoid scratches.

- **Night Vision Compatibility:**

- The MEPRO M21 is compatible with Night Vision Goggles and scopes. Ensure proper alignment when using with these devices.

Disposal Instructions

- Dispose of the MEPRO M21 in accordance with local regulations regarding electronic waste.
- Do not dispose of the product in general household waste.
- Contact local waste management authorities for information on proper disposal methods.

Contact Information for Further Support

For any safety inquiries or concerns about the MEPRO M21, please refer to the product packaging or visit the manufacturer's website for assistance.

By following these safety instructions and guidelines, you can ensure a safe and effective experience with your MEPRO M21 Carry Handle Adapter. Thank you for choosing MEPROLIGHT for your optical sighting needs.
