

MEPRO microRDS - RED DOT MICRO SIGHT + Backup sights - microRDS KIT-GLOCK-ALL MODELS

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

The quickest, easiest upgrade in the history of accuracy. The Mepro microRDS brings the rapid target acquisition of a full-size red dot rifle optic to a compact pistol sight. Featuring a patented quick-detach (QD) adaptor kit that easily mounts using the pistol's existing rear sight dovetail slot; no drilling, tapping or need for a gunsmith. It's the only red-dot solution that instantly mounts and dismounts without having to re-zero, with an adaptor that also gives you a Meprolight® TruDot™ self-illuminated sight as a back-up when the red dot optic is removed. Built to mount in minutes to any pistol with red dot capability. It also serves as an excellent close-quarters red dot sight and backup sight for rifles and shotguns.

Consumer Safety Instruction Guide for MEPRO microRDS RED DOT MICRO SIGHT + Backup sights microRDS KITGLOCKALL MODELS

Introduction

Thank you for choosing the MEPRO microRDS. This guide provides essential safety instructions to ensure the safe and effective use of your new red dot micro sight. Please read and follow these instructions carefully to maximize your safety and the performance of the product.

General Safety Guidelines

- **Product Safety:** This product is designed to be safe for use on nonfood items and complies with the EU General Product Safety Regulation (GPSR).
- **Enhanced Recalls:** In the event of any safety concerns, standardized recall notices will be provided, and free remedies will be available for any dangerous products.
- **Online Shopping:** Whether purchased online or instore, this product meets the same safety standards and requirements.
- **Special Consumer Focus:** Extra precautions are in place to protect vulnerable groups, including children.
- **EU Contact Point:** For any safety inquiries, an EUbased contact point is available for assistance.
- **Rapid Alerts:** Updates regarding unsafe products will be communicated swiftly through the Safety Gate system.

Specific Safety Precautions for Use

- **Age Restrictions:** This product is intended for adults. Keep out of reach of children.
- **Proper Use:** Ensure that the microRDS sight is used only on compatible Glock models as specified.
- **Regular Checks:** Periodically inspect the sight for any signs of damage or wear.
- **Avoid Modifications:** Do not modify or alter the sight in any way, as this could compromise safety and performance.
- **Environmental Considerations:** Avoid exposing the sight to extreme temperatures, moisture, or harsh chemicals.

Instructions for Installation and Usage

1. Installation:

- Ensure the pistol is unloaded and pointed in a safe direction.
- Remove the existing rear sight from the dovetail slot using appropriate tools.
- Align the Mepro microRDS adaptor kit with the dovetail slot and press it into place until secure.
- Confirm that the sight is firmly attached and does not move.
- Recheck the alignment of the sight to ensure proper installation.

2. Usage:

- Before using the sight, ensure it is properly zeroed for accuracy.
- Use the sight in accordance with the manufacturer's guidelines for optimal performance.
- When not in use, cover the sight to protect it from dust and debris.
- If the red dot optic is removed, utilize the Meprolight® TruDot™ selfilluminated sight as a backup.

3. PostUse Care:

- Clean the sight with a soft, dry cloth to remove any dirt or moisture.
- Store the sight in a safe, dry place when not in use.

Disposal Instructions

- **Environmental Responsibility:** Dispose of the product in accordance with local regulations regarding electronic waste.
- **Recycling:** If applicable, recycle any components of the sight that are eligible for recycling.
- **Hazardous Materials:** Do not dispose of the sight in regular household waste if it contains hazardous materials.

Contact Information for Further Support

For questions or concerns regarding the MEPRO microRDS, please refer to the manufacturer's contact information available on the packaging or official website.

By following these guidelines, you can ensure the safe and effective use of your MEPRO microRDS. Thank you for your attention to these important safety instructions.
