

# MEPRO microRDS - RED DOT MICRO SIGHT + Backup sights - microRDS KIT-CZ SHADOW 1/2

[Optics & Mounting](#) > [Electronic Sights](#) > [Reflex Sights](#)

The quickest, easiest upgrade in the history of accuracy. The Mepro microRDS brings the rapid target acquisition of a full-size red dot rifle optic to a compact pistol sight. Featuring a patented quick-detach (QD) adaptor kit that easily mounts using the pistol's existing rear sight dovetail slot; no drilling, tapping or need for a gunsmith. It's the only red-dot solution that instantly mounts and dismounts without having to re-zero, with an adaptor that also gives you a Meprolight® TruDot™ self-illuminated sight as a back-up when the red dot optic is removed. Built to mount in minutes to any pistol with red dot capability. It also serves as an excellent close-quarters red dot sight and backup sight for rifles and shotguns.

# MEPRO microRDS Safety Instruction Guide

## Introduction

Thank you for choosing the MEPRO microRDS red dot micro sight. This guide provides essential safety instructions and information to ensure the safe and effective use of your product. Please read this manual carefully before using the microRDS to familiarize yourself with its features and safety precautions.

## General Safety Guidelines

To ensure safe use of the MEPRO microRDS, please adhere to the following guidelines:

- Always handle the microRDS with care to prevent damage.
- Ensure the microRDS is mounted securely to avoid accidents during use.
- Only use the product for its intended purpose as a sighting device for compatible firearms.
- Keep the microRDS out of reach of children and unauthorized users.
- Regularly check the microRDS for any signs of wear or damage.
- Follow all local laws and regulations regarding the use of firearm accessories.

## Specific Safety Precautions for Use

Before using the MEPRO microRDS, please consider the following safety precautions:

- Ensure the firearm is unloaded before installing or adjusting the microRDS.
- Avoid looking directly into the sight when it is not mounted on a firearm.
- Do not attempt to modify or disassemble the microRDS.
- Use protective eyewear when shooting to safeguard against potential hazards.
- Be aware of your surroundings and ensure that you have a safe shooting environment.

## Instructions for Installation and Usage

Follow these steps for the proper installation and use of the MEPRO microRDS:

### Installation

1. **Preparation:** Ensure the firearm is unloaded and pointed in a safe direction.
2. **Remove the existing rear sight:** Carefully remove the rear sight from the dovetail slot of your firearm.
3. **Attach the QD adaptor:** Align the QD adaptor with the dovetail slot and press it into place until it is secure.
4. **Mount the microRDS:** Slide the microRDS onto the QD adaptor until it locks into position.
5. **Check alignment:** Ensure that the microRDS is aligned properly with the firearm's barrel.
6. **Secure the sight:** Tighten any screws or fasteners as necessary to ensure a secure fit.

### Usage

1. **Power On:** Turn on the microRDS by following the manufacturer's instructions for the power switch.
2. **Adjust the brightness:** Set the brightness level of the red dot according to your shooting environment.
3. **Aim and shoot:** Use the red dot to acquire your target quickly and accurately.
4. **Power Off:** Turn off the microRDS after use to conserve battery life.

## Disposal Instructions

When disposing of the MEPRO microRDS, please follow these guidelines:

- Do not dispose of the microRDS with regular household waste.

- Follow local regulations for the disposal of electronic devices.
- Remove batteries and dispose of them according to local guidelines for battery disposal.

## **Contact Information for Further Support**

For any inquiries or concerns regarding the MEPRO microRDS, please contact your local distributor or the manufacturer. Ensure you have your product details ready for reference.

## **Conclusion**

By following these safety instructions, you can ensure a safe and enjoyable experience with your MEPRO microRDS. Always prioritize safety and adhere to local laws while using firearm accessories. Thank you for choosing MEPRO!
